SELF-PRESERVATION

Self-Preservation is the first Law of Nature. Hence, the greater the dangers to be encountered, the more urgent the need of protection that will effectively meet them.

Statistics indicate an increasing per capita mal-practice suit record and a higher judgment mortality. Reason advances the urgent need of *Professional Protection* that not only covers the usual charges of mal-practice but also takes care of every conceivable professional liability.

MEDICAL PRACTICE ACT OF COLORADO

Compiled Laws of Colorado, 1921, Title XV, Chapter 81; as Amended Laws of 1927, Chapters 125 and 126.

Section 4526. CREATION OF BOARD: A board is hereby established, to be known by the name and style of the State Board of Medical Examiners. Said board shall be composed of nine practicing physicians of integrity and ability, who shall be residents of, and have been duly licensed to practice medicine in this state, and who shall have been graduated from medical schools of high educational requirements and standing, and have been engaged in the active practice of their profession within this state. Said board shall perform such duties and possess and exercise such powers relative to the protection of the public health and the control and regulation of the practice of medicine in this state as shall be in this Act prescribed and conferred upon it.

Sec. 4527. APPOINTMENT OF MEMBERS: The governor shall appoint nine physicians, who shall possess the qualifications specified in Section 1 of this Act, to constitute the members of said board. Said members shall be so classified by the governor that the term of office of three shall expire in two, three in four and three in six years from the date of appointment. Biennially thereafter the governor shall appoint three members, who shall possess the qualifications as specified in Section 1 of this Act, each to serve for the term of six years, and he shall fill vacancies in the membership of said board as soon as practicable.

Sec. 4528. ORGANIZATION; LICENSE WITHOUT EXAMINATION: Said board shall biennially elect a president, a vice-president and a secretary-treasurer from their membership and shall adopt a seal, which shall be affixed to all licenses issued by them. They shall, from time to time, adopt such rules and regulations as they may deem necessary for the performance of their duties, and a schedule of minimum educational requirements, which shall be without prejudice, partiality or discrimination as to schools or systems of practice of medicine. When an applicant for a license offers to the board satisfactory proof that he has complied with such educational requirements as are specified in said schedule, the board shall accept suh proof as sufficient evidence of the educational qualifications of the applicant, to entitle him to a license without examination; provided, however, that any person who shall have been lawfully engaged in the practice of the healing art in the state of Colorado, for not less than three months immediately prior to the date upon which this Act takes effect, and is a graduate from an institution chartered to teach the healing art, by the state wherein it was located, which school, in case the practitioner graduated therefrom prior to Jan. 1, 1908, required such practitioner to be in actual attendance for two years of nine months each of not less than 1,000 hours of instruction work in each of those years in order to graduate, and which school, in case the practitioner graduated therefrom subsequent to Jan. 1, 1908, required the practitioner to be in actual attendance for three years of nine months each of not less than 1,000 hours of instruction work in each of those years in order to graduate, shall be granted a license to practice medicine in the state of Colorado by the State Board of Medical Examiners without examination as to his skill or knowledge; provided further that such practitioner shall make application to the said Board of Medical Examiners for such license within ninety days after the date upon which this law takes effect upon such blank forms as said board shall provide and shall pay the fees herein prescribed and shall furnish evidence satisfactory to the board that he is a person of good moral character and possesses the educational qualifications hereinabove specified.

Sec. 4529. BOARD MEETINGS: The State Board of Medical Examiners shall meet as a board of medical examiners in the city of Denver, on the first Tuesday of January, April, July and October of each year, and at such other times and places as may be found necessary for the performance of their duties.

Sec. 4530. APPLICATIONS: Any person wishing to obtain the right to practice medicine in this state, who has not heretofore been licensed so to do shall, before it shall be lawful for him to practice medicine in this state, make application to said State Board of Medical Examiners, through the secretary-treasurer thereof, upon such form and in such manner as shall be adopted and prescribed by the board, and obtain from the board a license so to do. Unless such person shall have obtained a license as aforesaid, it shall be unlawful for him to practice medicine in this state; and if he shall practice medicine in this state without first having obtained such a license he shall be deemed to have violated the provisions of this Act. All applicants for a license to practice medicine or for a renewal of any such license which has been revoked shall furnish the board with satisfactory evidence of good moral character.

Sec. 4531. LICENSING AND PENALTIES: Said board shall have authority to administer oaths, to summon witnesses and to take testimony in all matters relating to their duties. Said board shall issue licenses to practice medicine to all persons who shall furnish satisfactory evidence of attainments and qualifications under the provisions of this Act and the rules and regulations of the board. Such licenses shall be signed by the president and attested by the secretary-treasurer of the board under its adopted seal, and they shall be absolute authority to the persons to whom they are issued to practice medicine in this state. It shall be the duty of the secretary-treasurer, under the direction of the board, personally or by deputy, to aid the several district attorneys of the state in the enforcement of this Act and in the prosecution of all persons charged with violating any of its provisions.

Sec. 4532. FEES: There shall be paid to the secretary-treasurer of the State Board of Medical Examiners by each applicant for a license a fee of twenty-five dollars ($25), which shall accompany the application. If the applicant has been engaged in the practice of medicine for five years or more prior to making his application or if he shall be licensed on his credentials he shall pay an additional fee of twenty-five (25) dollars before receiving his license.

Sec. 4533. APPLICATIONS; QUALIFICATIONS; EXAMINATION: Every person who desires to obtain a license to practice medicine in the state of Colorado shall first make application for such license upon such form as the State Board of Medical Examiners shall provide, giving all information called for therein, and pay the license fee herein specified and shall furnish to the board such evidence of good moral character as the board may demand. Thereupon, the board shall investigate the moral character, education and experience of the applicant. The burden of showing a good moral character to the satisfaction of the Board of Medical Examiners shall be upon the applicant, but the board shall make such independent investigation as it shall see fit. No person shall be granted a license upon his credentials nor permitted to take an examination for a license until the board is satisfied that he possesses a good moral character. The board shall next determine whether or not the applicant is entitled to a license upon his credentials, and in determining this question they shall consider his general reputation, preliminary education, degrees received from educational institutions, licenses to practice in other states, practice and hospital experience, experience as a teacher of medicine and any other matter tending to show his fitness to receive a license without examination. If the applicant is not granted a license upon his credentials, or if he prefers to be licensed by examination instead of upon his credentials, he shall be permitted to take an examination before the board, and no person who possesses a good moral character and has made application for a license upon the form provided by the board and has paid the fees herein specified, shall be denied the right to take the examination. However, no person who elects to take an examination and fails therein shall thereafter be licensed upon credentials which he possessed at the time of the examination, nor shall any person who has been licensed upon credentials be permitted to take an examination. Every applicant for a license shall be designated by number instead of by name, so that his identity shall not be disclosed to the members of the board until after the examination papers are graded, and every applicant whose examination papers grade at least seventy-five (75) per cent on the average shall be granted a license. The subjects of examination shall be as follows: Anatomy, physiology, chemistry, symptomatology, toxicology, pathology, surgery and obstetrics, but no question shall be asked of any applicant concerning materia medica, therapeutics or any manner, means or system of treatment or healing. (See Laws of 1927, Chapter 125.)

Sec. 4534. RECORDING LICENSE: Every person who shall receive a license from the State Board of Medical Examiners shall have it recorded in the office of the recorder of deeds of the county in which he resides, and shall likewise have it recorded in the counties to which he shall subsequently remove for the purpose of practicing medicine. The failure on the part of the holder of a license to have it recorded before he shall begin the practice of medicine in this state shall render it null and void.

Sec. 4535. REGISTRY OF LICENSES: The recorder of deeds of each county in this state shall keep for public inspection, in a book provided for that purpose, a complete list and description of the licenses recorded by him. When any such license shall be presented to him for record he shall stamp or write on the face thereof his signed memorandum of the date when such license was presented for record.

Sec. 4536. REVOCATION OF LICENSE: The State Board of Medical Examiners may refuse to grant or may revoke a license to practice medicine in this state, or may cause a licentiate's name to be removed from the record in the office of any recorder of deeds in the state on any of the following grounds, to wit: The employment of fraud or deception in applying for or securing a license or in passing the examination provided for in this Act; the practice of medicine under a false or assumed name, or the impersonation of another physician of this state or of any state, territory or foreign country, of a like or different name; the conviction of a felony or of a crime involving moral turpitude; habitual intemperance in the use of ardent spirits, narcotics or stimulants; the procuring or aiding or abetting in procuring or attempting to procure a criminal abortion; grossly negligent or ignorant malpractice; the obtaining of a fee, either directly or indirectly, either in money or in the form of anything of value, or in the form of financial profit, either as personal compensation, or as compensation, charge, profit or gain for an employer, or any other person or persons, on the representation that a manifestly incurable, sick, diseased or injured condition of any person can be permanently cured; causing the publication, circulation, exhibition or display publicly of an advertisement, notice or information of any medicine or means whereby the monthly periods of women can be regulated, or the menses, if suppressed, can be reestablished, or whereby an abortion can be accomplished; causing the publication, circulation, exhibition or display publicly of an advertisement relative to any disease of the sexual organs or relative to the treatment, alleviation, palliation, cure or prevention of any disease, weakness or condition of the sexual organs such as prejudicially to affect public morals; the obtaining of a fee or the promise or obligation to pay a fee by fraud; immoral, unprofessional or dishonorable conduct; the violation of any provision of this Act. Said board, in determining whether any applicant for a license to practice medicine is morally, educationally and otherwise qualified to receive such a license, shall upon their own initiative make diligent inquiry and investigation whether such applicant possesses the qualifications required by this Act and those adopted by the board under the authority of this Act and whether such applicant has at any time done any of the acts herein made a ground for refusing or revoking a license and they may refuse to grant a license to practice medicine to any person who, after such inquiry and investigation, they shall find does not possess the moral, educational and other qualifications herein required or adopted by the board under authority of this Act or who has done any of said acts. But said board shall not refuse to grant such a license under such circumstances until said applicant has had reasonable opportunity, and at least thirty (30) days' notice, to appear before the board in person and by counsel and present in his behalf such statements, testimony, evidence, argument and authority as he may desire to call to the attention of the board. Said board and the members thereof, may, whenever it has been brought to the attention of them or any of them that there is reason to suspect that any person holding a license to practice medicine in this state has been guilty of any of the acts herein made a ground for revoking such license, make an investigation to determine the probability of the commission of any such act by any such person. If they find such probability great, they shall notify such person of such finding and they shall fix a time and place for conducting a hearing of such matter and shall give notice thereof to the person so suspected, and of the time and place of such hearing, and the specific charges against him, and shall inform him that he may be present at such time and place in person and by attorney to offer such evidence as he may desire upon the matter under investigation, and may be heard in his defense. Any person may file a complaint with the secretary-treasurer of the State Board of Medical Examiners against any person who holds a license to practice medicine under the laws of this state, or who is an applicant for such a license, with a view to having the board revoke or refuse to grant such a license on any of the grounds herein set out. When such a complaint is filed with the secretary-treasurer, he shall serve a copy thereof upon the person so accused, together with a notice of at least thirty (30) days of the time when, and the place, where said board will conduct a hearing thereon and that he may be present in person and by attorney if he so desires and may offer evidence and be heard in his defense. At the time and place fixed for a hearing before the board, as hereinabove specified or at any time and place to which the matter may be continued, the board shall receive evidence upon the subject under consideration and shall accord the one against whom charges are preferred a full and fair opportunity to be heard in his defense and shall adopt a resolution finding him guilty or not guilty of the matters charged, and if he be found not guilty the board shall dismiss the complaint, but if he be found guilty his license shall be revoked by the board. The State Board of Medical Examiners may, at any time after the refusal or revocation of license as aforesaid, grant or restore such license to the person affected. Any person to whom such a license is so restored shall pay to the secretary-treasurer a fee of fifteen dollars ($15) upon the restoration thereof. The action of the State Board of Medical Examiners in refusing to grant or in revoking a license to practice medicine may be reviewed by the district court by the writ of certiorari under the Code of Civil Procedure.

Sec. 4537. **PRACTICE OF MEDICINE DEFINED:** The term "practice of medicine," as used in this Act, is hereby defined to mean holding out one's self to the public as being engaged within this state in the business of diagnosing or treating diseases, injuries or defects of human beings, whether by the use of drugs, surgery, manipulation, electricity, or any other physical or mechanical means whatsoever; or the suggestion, recommendation or prescribing of any form of treatment for the intended palliation, relief, or cure of any physical or mental ailment or defect of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever; or the maintenance of an office for the examination or treatment of persons afflicted with disease, injury or defect of body or mind; or using the title M.D., Doctor, Surgeon, or any word or abbreviation to indicate or induce others to believe that one is engaged in the treatment or diagnosis of the diseases, injuries or defects of human beings; using any such title other than optician or optometrist to indicate that one is engaged in the business of refracting or fitting glasses to the human eye; or performing any kind of a surgical operation upon a human being; or the practice of midwifery; or attending a woman in childbirth without the aid of a licensed physician and surgeon or a licensed midwife. If any person who does not possess and shall not have filed a license to practice medicine within this state, as hereinabove provided, shall do any of the acts hereinabove mentioned as constituting the practice of medicine, he shall be deemed to be practicing medicine without complying with the provisions of this Act and in violation thereof. Nothing in this Act shall be construed to prohibit gratuitous services in case of emergency or to prohibit a physician lawfully practicing in another state or territory from attending a particular case in this state which he is called to diagnose or treat; nor the practice of midwifery as hereinafter defined by a duly licensed midwife, but the practice of midwifery by any person who does not hold a license to practice medicine or a license to practice midwifery issued by the State Board of Medical Examiners, shall be deemed to be practicing medicine without a license in violation of this Act; nor the practice of chiropody as hereinafter defined by a duly licensed chiropodist, but the practice of chiropody by any person who does not hold a license to practice medicine or a license to practice chiropody issued by the State Board of Medical Examiners shall be deemed and considered to be practicing medicine without a license in violation of this Act; nor to prohibit the practice of optometry under the conditions and limitations defined in Chapter 118 of the Session Laws of Colorado of 1913; nor to prohibit the practice of religious tenets or religious rites or ceremonies as a form of religious worship, nor the practice of Christian Science with or without compensation; or to prohibit commissioned surgeons of the United States Army, Navy, or Public Health and Marine Hospital Service, from performing their lawful duties in this state as such officers.

Sec. 4538. **PENALTIES:** Any person practicing medicine in this state without complying with the provisions of this Act or any person who shall have violated the provisions of this Act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than fifty dollars ($50) nor more than three hundred dollars ($300), or by imprisonment in the county jail for not less than ten (10) days nor more than thirty (30) days or by both. Any person presenting or attempting to file, as his own, the diploma or certificate or credentials of another, or who shall give either false or forged evidence of any kind to the State Board of Medical Examiners or any member thereof in connection with an application for a license to practice medicine, or who shall practice medicine under a false or assumed name, or who shall falsely personate another practitioner of a like or different name, shall be deemed guilty of a felony, and on conviction thereof shall be punished by imprisonment in the state penitentiary for a term of not less than one (1) year nor more than ten (10) years at hard labor.

Sec. 4539. **DISPOSITION OF LICENSE FEES:** All fees received by the State Board of Medical Examiners and all fines collected by any officer of the law under this Act shall be paid to the secretary-treasurer of said board, who shall, at the end of each and every month, deposit the same with the state treasurer, and the said state treasurer shall place said money so received in a special fund, to be known as the fund of the State Board of Medical Examiners, and shall pay the same out on warrants drawn by the auditor of the state therefor on vouchers issued and signed by the president and secretary-treasurer of said board. Said moneys so received and placed in said fund may be used by the State Board of Medical Examiners in defraying their expenses in carrying out the provisions of this Act. At the end of every biennial period, if there shall remain in said fund any balance, said balance shall be transferred to the general revenue fund of the state. The secretary-treasurer of said board shall keep a true and accurate account of all funds received and all vouchers issued by the board, and on the first day of December of each year he shall file with the governor of the state a report of all receipts and disbursements for said board for the preceding fiscal year. Members of said board shall receive a per diem for the time during which they shall be actually engaged in the discharge of their duties, and the secretary-treasurer shall receive a salary, said per diem and salary shall be fixed by the board.

Sec. 4540. **UNLAWFUL PRACTICE:** It is hereby declared to be unlawful for any person who does not hold a license to practice medicine within this state, to hold himself out as engaged in the business of diagnosing or treating any disease, diseased condition, injury or defect of human beings, either in person or by or through a partner, agent or employee, or to maintain an office for the purpose of diagnosing or treating any disease, diseased condition, injury or defect of human beings by or through a partner, agent or employee. It is also declared to be unlawful for any person not holding a license to practice medicine within this state to examine for the purpose of diagnosing, or to diagnose or to treat any person suffering from any disease, diseased condition, injury or defect either in person, or by or through a partner, agent or employee. It shall be no defense to any person prosecuted under this section that the partner, agent or employee, by whom the person was examined or treated, held a license to practice medicine within this state at the time of such examination or treatment.

Sec. 4541. **UNLAWFUL PRACTICE:** It is hereby declared to be unlawful for any person to examine for the purpose of diagnosing, or to diagnose or treat any person suffering from any disease, diseased condition, injury or defect as the partner, agent or employee of any person who does not hold a license to practice medicine within this state, or as the employee of any corporation and it shall be no defense to any person prosecuted under this section that he held a license to practice medicine in this state at the time of such examination or treatment. However, this section shall not be construed to forbid any licensed physician from accepting employment from any person, partnership, association or corporation to examine and treat the employees of such person, partnership, association or corporation.

Sec. 4542. **UNLAWFUL PRACTICE:** If any person holding a license to practice medicine within this state shall examine for the purpose of diagnosing or shall diagnose or treat any person suffering from any disease, injury or defect as the partner, agent or employee of any person who does not hold a license to practice medicine within this state, or as the employee of a corporation except when he is employed to treat the regular employees of such person, partnership, association or corporation, his license shall be revoked therefor by the State Board of Medical Examiners upon a hearing conducted as hereinabove prescribed for the revoking of licenses upon any other ground.

Sec. 4543. **CHIROPODY:** The State Board of Medical Examiners may grant and revoke licenses to practice chiropody within the state of Colorado, and it is hereby declared to be unlawful for any person to practice chiropody as hereinafter defined within the state of Colorado, who does not hold a license to practice medicine or a license to practice chiropody issued by the State Board of Medical Examiners. (See Laws of 1927, Chapter 125.)

Sec. 4544. **SAME; DEFINITION:** The term chiropody as used in this Act is hereby defined to mean the surgical treatment of abnormal nails, corns, warts and callosities of the feet and the superficial treatment of bunions.

Sec. 4545. **SAME; EXAMINATION:** Before receiving a license to practice chiropody, the applicant shall be required to make application upon such form as the board of medical examiners may require, and to pay the fee hereinabove required of an applicant for a license to practice medicine and to pass an examination given by the board in those subjects concerning which the board deems it necessary for a practitioner of chiropody to have special knowledge.

Sec. 4546. **SAME; LIMITS OF PRACTICE:** The license to practice chiropody as hereinabove defined shall confer upon the licentiate the right to give surgical treatment for abnormal nails, corns, warts, callosities of the feet and superficial treatment of bunions, and the right to use local anesthetics upon feet as incidental to such treatment, but no right to give any other anesthetics or to make any incision involving structure below the level of the true skin.

Sec. 4547. **SAME; PENALTY:** Any person not holding a license to practice medicine or a license to practice chiropody, who shall practice chiropody as hereinabove defined, and any person holding a license to practice chiropody who shall practice medicine otherwise than is included in the practice of chiropody shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished as provided in Section 13 [Sec. 4538] of this Act.

Sec. 4548. **SAME; REVOCATION OF LICENSE:** The State Board of Medical Examiners may revoke the license to practice chiropody of any person who, while holding such a license, obtains a fee or a promise or obligation to pay a fee by fraud, or is guilty of grossly negligent, or ignorant malpractice in the practice of chiropody, or violates any provisions of this act, or is guilty of any immoral or dishonorable conduct. The procedure for denying or revoking a license to practice chiropody, shall be the same as that for denying or revoking a license to practice medicine.

Sec. 4549. **MIDWIFERY:** The State Board of Medical Examiners may grant and revoke licenses to practice midwifery within the state of Colorado, and it is hereby declared to be unlawful for any person to practice midwifery as hereinafter defined, within the state of Colorado, who does not hold a license to practice medicine or a license to practice midwifery issued by the State Board of Medical Examiners.

Sec. 4550. **SAME; DEFINITION:** The term of midwifery as used in this Act, is hereby defined to mean the attending of women in childbirth.

Sec. 4551. SAME; EXAMINATION: Before receiving a license to practice midwifery, the applicant shall be required to make application upon such form as the Board of Medical Examiners may require, and pay the fee hereinabove required of an applicant for a license to practice medicine and to pass an examination given by the board in those subjects concerning which the board deems it necessary for a practitioner of midwifery to have special knowledge.

Sec. 4552. SAME; LIMITS OF PRACTICE: The license to practice midwifery as hereinabove defined shall confer upon the licentiate, the right to attend women in childbirth without the aid of a licensed physician but not the right to give or prescribe any drugs or anesthetics, or to use any instruments in delivering a child, or to practice medicine in any other form.

Sec. 4553. SAME; PENALTY: Any person not holding a license to practice medicine, or a license to practice midwifery, who shall practice midwifery as hereinabove defined, and any person holding a license to practice midwifery who shall practice medicine otherwise than is included in the practice of midwifery, shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be punished as provided in Section 13 [4538] of this Act. Nothing in this Act shall be construed to forbid the practice of midwifery by any person heretofore licensed so to practice by the State Board of Health of Colorado.

Sec. 4554. SAME; REVOCATION OF LICENSE: The State Board of Medical Examiners may revoke the license to practice midwifery of any person who while holding such a license performs a criminal abortion, or obtains a fee or a promise or obligation to pay a fee by fraud; or is guilty of grossly negligent or ignorant malpractice in the practice of midwifery; or violates any provision of this Act; or is guilty of any immoral or dishonorable conduct. The procedure for denying or revoking a license to practice midwifery shall be the same as that for denying or revoking a license to practice medicine.

Sec. 4555. CHIROPRACTIC: The State Board of Medical Examiners may grant and revoke licenses to practice chiropractic within the state of Colorado and it is hereby declared to be unlawful for any person to practice chiropractic as hereinafter defined within the state of Colorado who does not hold a license to practice medicine or a license to practice chiropractic issued by the State Board of Medical Examiners.

Sec. 4556. SAME; DEFINITION: The term practice of chiropractic as used in this Act is hereby defined to mean the treatment of disease or morbid conditions of human beings by palpation, nerve tracing and adjustment of vertebrae by hand.

Sec. 4557. SAME; LICENSES WITHOUT EXAMINATION: Any person who has been continuously engaged in the practice of chiropractic within the state of Colorado for six months prior to the date upon which this Act shall take effect and who is a graduate of a school chartered by the state in which it is located to teach chiropractic, and which school, at the time such person attended it, required its students to be in actual attendance for not less than four hundred hours of instruction work in order to graduate, and which person was in such actual attendance before graduation therefrom or who has been continuously engaged in the actual practice of chiropractic within the state of Colorado for two years prior to the date upon which this Act shall take effect and who shall make application for a license to practice chiropractic within three months from the date upon which this Act shall take effect upon such form as the State Board of Medical Examiners shall provide, and shall pay a fee of twenty-five dollars ($25) therefor, shall be granted a license to practice chiropractic within the state of Colorado, upon proving his good moral character to the satisfaction of the board, without examination or other condition.

Any person who desires a license to practice chiropractic within the state of Colorado who is not entitled to such license under the above provisions of this section, or failing to make application therefor within the above time specified, shall be entitled, without examination, to such license upon making an application therefor upon such form as the Board of Medical Examiners shall provide, and paying a fee of twenty-five dollars ($25) therefor and proving his good moral character to the satisfaction of the board, and further proving to the satisfaction of the board that he is a graduate of a school chartered by the state in which it is located to teach chiropractic, which school required the applicant to be in actual attendance for not less than two years of nine months each, and to take not less than 1,000 hours of instruction work in each of those years in order to graduate.

Sec. 4558. SAME; LIMITS OF PRACTICE: A license to practice chiropractic shall confer upon the licentiate the right to practice chiropractic as hereinabove defined and to use the the title Doctor of Chiropractic, D. C., and Chiropractor in connection with his name, but not to use any other title or abbreviation to indicate that he is engaged in the business or profession of treating or diagnosing diseases, injuries or defects of human beings. Such license shall not confer upon licentiates the right to practice surgery or obstetrics, or to prescribe drugs or to administer anesthetics.

Sec. 4559. SAME; PENALTY: Any person not holding a license to practice medicine or a license to practice chiropractic, who shall practice chiropractic as hereinabove defined, and any person holding a license to practice chiropractic, who shall practice medicine otherwise that is included in a practice of chiropractic, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished as provided in Section 13 [Sec. 4538] of this Act.

Sec. 4560. SAME; REVOCATION OF LICENSE: The State Board of Medical Examiners may revoke a license to practice chiropractic for any of the grounds mentioned in Section 11 [Sec. 4536] of this Act as grounds for revoking a license to practice medicine. The procedure for denying or revoking a license to practice chiropractic shall be the same as for denying or revoking a license to practice medicine.

Sec. 4561. RECORDATION OF LICENSES: Licenses to practice chiropody, midwifery and chiropractic shall be recorded in the office of the clerk and recorder of every county in the state of Colorado in which the licentiate practices, and the records of such office shall be deemed evidence in any court of law that any person does or does not possess such a license. The records of the office of the secretary-treasurer of the State Board of Medical Examiners shall likewise be deemed competent evidence of either of these facts and shall be conclusive.

. . . .

Section 4566. DIVISION OF FEES: If any person holding a license to practice medicine, chiropractic, midwifery or chiropody issued by the State Board of Medical Examiners of the state of Colorado, shall divide any fee or compensation received or charged for services rendered by him as a physician, surgeon, chiropractor, midwife or chiropodist, or shall agree to divide any such fee or compensation with any person whomsoever as pay or compensation to such other person either (1) for sending or bringing any patient or other person to such physician, surgeon, chiropractor, midwife or chiropodist for examination or treatment; or, (2) for recommending such physician, surgeon, chiropractor, midwife or chiropodist to any person; or (3) for being instrumental in any manner in causing any person to employ such physician, surgeon, chiropractor, midwife or chiropodist in his professional capacity; or if any person holding a license to practice medicine, chiropractic, midwifery or chiropody issued by the State Board of Medical Examiners of the state of Colorado shall, either directly or indirectly, pay or compensate or agree to pay or compensate, any person whomsoever, either (1) for sending or bringing any patient or other person to such physician, surgeon, chiropractor, midwife or chiropodist for examination or treatment; or (2) for recommending such physician, surgeon, chiropractor, midwife, or chiropodist to any person; or (3) for being instrumental in any manner in causing any person to employ such physician, surgeon, chiropractor, midwife or chiropodist in his professional capacity; or if any person holding a license to practice medicine, chiropractic, midwifery or chiropody issued by the State Board of Medical Examiners of the state of Colorado, shall make a joint or lump or gross charge or present a bill or request a payment for a joint or lump or gross account for services rendered by him as a physician, surgeon, chiropractor, midwife or chiropodist, or otherwise or shall authorize any other person to make such a joint or lump or gross charge, present such a joint or lump or gross bill or request such a joint or lump or gross payment, without itemizing the amount charged or requested for the service rendered by each physician, surgeon, chiropractor, midwife or chiropodist whose services are included in such joint or lump or gross charge or bill or payment requested, such physician, surgeon, chiropractor, midwife or chiropodist shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than twenty-five dollars ($25) or more than two hundred and fifty dollars ($250), or by imprisonment in the county jail for not more than thirty (30) days, or by both such fine and such imprisonment.

Sec. 4567. SAME: It is hereby declared to be unlawful for any person to receive, either directly or indirectly, any pay or compensation given or paid in violation of the foregoing section of this statute and any person who receives any such pay or compensation shall be punished in the same manner and to the same extent as is provided in the foregoing section of this Act for the person giving or paying such pay or compensation.

Sec. 4568. SAME; REVOCATION OF LICENSE: The State Board of Medical Examiners is hereby authorized and empowered, after a hearing held as in other cases, to revoke the license of any physician, surgeon, chiropractor, midwife, or chiropodist licensed to practice in this state, who shall violate any of the above and foregoing provisions of this statute, either by paying or agreeing to pay to any other person any portion of any fee hereinabove prohibited or paying or agreeing to pay to any other person any compensation herinabove prohibited or by receiving any portion of any fee or by receiving any compensation in violation of this Act; and it shall not be necessary that any physician, surgeon, chiropractor, midwife or chiropodist shall have been tried on a criminal charge before said board may proceed to try him for any violation of this Act, nor shall an acquittal on a criminal charge deprive the board of power and authority to try such physician, surgeon, chiropractor, midwife or chiropodist upon such charge and revoke his license if he be found guilty by said board.

Sec. 4569. SAME; DISPOSITION OF FINES: It is hereby made the duty of the State Board of Medical Examiners to aid the district attorneys of this state in the enforcement of this Act and all fines collected under this Act shall be paid over to the secretary-treasurer of the State Board of Medical Examiners and placed in the fund of said board.

Sec. 4570. SAME; RECOVERY OF FEE; LIMITATION OF ACTIONS: If any physician, surgeon, chiropractor, midwife or chiropodist shall, in violation of this Act, divide or agree to divide any fee or compensation received by him for services rendered in his professional capacity with any person whomsoever, the person who has paid such fee or compensation to such physician, surgeon, chiropractor, midwife or chiropodist may recover the amount unlawfully paid out, or agreed to be paid out, by such physician, surgeon, chiropractor, midwife or chiropodist from either the physician, surgeon, chiropractor, midwife or chiropodist who pays or agrees to pay the same or from the person to whom the same has actually been unlawfully paid by an action to be instituted within two years from the date upon which such fee or compensation has been unlawfully divided or agreed to be divided.

Laws of 1927, Chapter 125

Section 1. From and after the date upon which this act goes into effect, no person shall be granted a license to practice medicine in the state of Colorado who is not a graduate of a school teaching the healing art approved by the State Board of Medical Examiners. Whenever said board deems that it is for the best interest of the public to permit an applicant to take a practical or bedside examination in lieu of or in addition to a written examination, it may do so, but no applicant shall be required to take a practical or bedside examination, if he prefers to submit his application solely on a written examination. The subjects for written examination shall be as follows: (1) Anatomy, (2) Physiology, (3) Chemistry including Toxicology, (4) Symptomatology, (5) Public Health and Sanitation, (6) Pathology, (7) Surgery, and (8) Obstetrics; but no question shall be asked of any applicant concerning materia medica, therapeutics or any manner, means or system of treatment or healing. No person shall be granted a license on a written examination whose average grade in all subjects is less than 75 per cent or who falls below 75 per cent in four subjects or who falls below 60 per cent in two subjects. Provided, however, that this act shall not be construed as repealing or amending sections 4555 to 4561, both inclusive, Compiled Laws of Colorado, 1921, or any or either of said sections.

Sec. 2. No person who makes an application for a license to practice Chiropody in the state of Colorado subsequent to the date upon which this act takes effect shall be licensed unless he is a graduate of a four-year high school or has, in the opinion of the State Board of Medical Examiners, an education equivalent thereto. Furthermore, he shall not be licensed unless he is a graduate of a school of Chiropody approved by said board requiring at least two years of resident instruction work of eight months each as a condition of graduation.

Sec. 3. The General Assembly hereby finds, determines and declares that this act is necessary for the immediate preservation of the public peace, health and safety.

Laws of 1929, House Bill 43

Section 1. During March of each year the State Board of Medical Examiners shall cause its secretary-treasurer to publish and mail to each licentiate of said board at his last known address, a list of the class of licentiates to which the addressee belongs, corrected to the first of March of the current year including the name, date and number of license and the business address of each licentiate of the class entitled to practice. Every licentiate of said board shall, before March first of each calendar year, pay to the secretary-treasurer an annual registration fee of $2.00 (or if he is not a resident of Colorado, $10.00) and obtain an annual registration certificate for the current calendar year which he shall at all times conspicuously display in his office. All annual registration fees shall be deposited monthly by the secretary-treasurer with the state treasurer to be kept in a special fund to be known and designated "Medical Board Registration Fund," from which fund payments shall be made only upon warrants issued by the state auditor on voucher signed by the president or vice-president and secretary-treasurer or deputy secretary-treasurer of the State Board of Medical Examiners. The secretary-treasurer shall mail to each licentiate of the board at his last known address during December of each year, notice of the foregoing provisions together with such form of application for annual registration as may be prescribed by the board. Failure to pay the annual registration fee prescribed herein within the time stated shall automatically suspend the right of any licentiate to practice his profession while delinquent and the name of any delinquent licentiate shall be omitted from the published list. If any licentiate fails for three consecutive years to pay the annual registration fee it shall be the duty of the board without hearing or notice to cancel his license subject to reinstatement. If application for reinstatement is made the board shall reconsider the moral character and professional qualifications of the applicant upon notice and hearing before ordering reinstatement, and unless such showing shall thereupon be made to the board as would entitle the applicant to the issuance of an original license reinstatement shall be denied. The applicant for reinstatement shall file a written application and pay the same fees required for issuance of an original license. Any person practicing his profession while his license is suspended or after it has been canceled pursuant to the foregoing provisions shall be subject to the penalties prescribed by section 4538 of the 1921 Compiled Laws of Colorado.

APPROVED: March 27, 1929.

MEDICAL PRACTICE ACT OF CONNECTICUT

General Statutes of Connecticut, 1918, Title 24, Chapter 148; as Amended Acts 1919, Chapter 120; Acts 1921, Chapter 322; Acts 1923, Chapter 121; Acts of 1925, Chapter 267; Acts of 1927, Chapter 317.

Section 2854. WHO MAY PRACTICE MEDICINE OR SURGERY: No person shall, for compensation, gain or reward, received or expected, treat, operate or prescribe for any injury, deformity, ailment or disease, actual or imaginary, of another person, nor practice surgery, until he has obtained such a certificate of registration as is in Section 2855 provided, and then only in the kind or branch of practice stated in said certificate but this chapter shall not apply to dentists while practicing dentistry only, nor to any person in the employ of the United States government, while acting in the scope of his employment, nor to any person who shall furnish medical or surgical assistance in cases of sudden emergency, nor to any person residing out of this state who shall be employed to come into the state to render temporary assistance to or consult with any physician or surgeon who has been registered in conformity with the provisions of this chapter, nor to any physician or surgeon then actually residing out of this state who shall be employed to come into this state to treat, operate or prescribe for any injury, deformity, ailment or disease from which any person is suffering at the time when such non-resident physician or surgeon is so employed, nor to any chiropodist or clairvoyant who does not use in his practice any drugs, medicines or poison, nor to any person practicing the massage method or Swedish movement cure, sun cure, mind cure, magnetic healing or Christian Science, nor to any other person who does not use or prescribe in his treatment of mankind drugs, poisons, medicines, chemicals or nostrums.

Sec. 2855. REQUIREMENTS FOR OBTAINING CERTIFICATE OF REGISTRATION: No person shall receive a certificate of registration under the provisions of section 2854 of the general statutes until he shall have passed an examination before one of the examining committees appointed for such purpose by the governor, except as hereinafter provided, and until he shall have filed with the state department of health duplicate certificates signed by a majority of the examining committee, which certificates shall include a statement that the person named therein has been examined and found qualified to practice either medicine or surgery, nor until he shall have filed with said department duplicate statements subscribed and sworn to by him, which shall be made upon blanks furnished by said department and shall include the name, age, place of birth and residence, the medical college of which he is a graduate and the date of his graduation, with such other information as shall be required upon such blanks. No person shall be eligible to take such examination until the committee shall find that such person is a resident of this state or intends in good faith to permanently reside in this state and that he has received a diploma from some legally incorporated and reputable medical college as provided in section 2857 of the general statutes, nor until he shall have presented to said committee a certificate of good moral character signed by two reputable citizens of this state, nor until said committee shall find that, before beginning the study of medicine, he was graduated from a college, high school or preparatory school, the standing of which shall have been approved by said committee, or that his education is equivalent thereto, or that it shall have been a condition of entrance to the medical college from which such person shall have received a diploma that students in such college shall have received a high school education or the equivalent thereof. No person shall be eligible for such examination under the provisions of the general statutes until said committee shall find, in addition to the foregoing provisions, that, before beginning the study of medicine, such person shall have completed a course of study of at least nine months' duration, which shall have included chemistry, physics and general biology, provided this provision shall not apply to any applicant who shall have been graduated from a recognized medical college prior to January 1, 1919, nor to any person who was eligible to examination before said date and who shall have failed to pass such examination. Any one of the examining committees appointed under the provisions of section 2856 of the general statutes may accept the license of any state board of medical examiners of any state in the United States or in the District of Columbia, or the certificate of the national board of medical examiners, in lieu of the examination herein provided for, provided the committee before which such applicant shall appear shall find that such license shall have been issued upon an examination passed by such applicant of as high a grade and of the same kind as that required by said examining committee, that he is a resident of this state or that he intends in good faith to permanently reside herein, that he has been in actual practice for a period of three years, part of which time he may have served as an interne in a hospital approved by the committee, immediately preceding the date of his application and that he is of good moral character and professional standing, and, upon receipt of the sum of fifteen dollars, said committee may issue to such applicant a certificate of approval of such license. Any physician who shall have been graduated from any incorporated and reputable medical college and who began the practice of medicine outside of this state prior to May 25, 1893, who shall appear before any one of the examining committees appointed under the provisions of section 2856 of the general statutes and whom such committee shall find to be a resident of this state or intending in good faith to permanently reside herein, and to have been in actual practice for a period of at least six months in the year immediately preceding the date of his application, and to be of good moral character and professional standing, and to have received the approval of the state board of medical examiners of the state in which he shall have resided next preceding his application to the committee of this state, may, upon the payment of the sum of fifteen dollars, receive a certificate of approval without examination. Any person who shall have passed the examination required under the provisions of the general statutes or shall have obtained a certificate of approval shall, upon filing such certificates and statements with the state department of health, receive from said department, upon the payment of two dollars, a certificate of registration, which certificate shall include a statement that the person named therein is qualified to practice medicine or surgery. Each of the examining committees provided for under the general statutes shall file with the state department of health, within thirty days after the close of each examination, a list of applicants examined by it since the last preceding examination, and such list shall state the names of such applicants as shall have failed to pass such examination.

Sec. 2856. NOMINATION AND APPOINTMENT OF MEMBERS OF EXAMINING COMMITTEES: The Connecticut Medical Society, the Connecticut Homeopathic Medical Society and the Connecticut Eclectic Medical Society shall each annually in December file with the State Department of Health the name of one physician, practicing in this state, who shall have been recommended by such medical society as a person competent to serve on one of the examining committees appointed by the State Department of Health to examine applicants for a certificate to practice medicine and surgery, and, in case any vacancy occurs in any of said examining committees the president of the society of whose members said committee is composed shall nominate such a person to fill said vacancy. Annually in January the State Department of Health shall appoint one member of each of said committees who shall have been nominated for such office as aforesaid, to serve five years, and said department shall in the same manner fill any vacancy occurring in any of said committees. Said committees shall be known as the Connecticut Medical Examining Board, the Connecticut Homeopathic Medical Examining Board, and the Connecticut Eclectic Medical Examining Board.

Sec. 2857. EXAMINATIONS, PAPERS RECORDED, LIST OF COLLEGES: The examining committees provided for by section 2856 of the general statutes shall hold examinations on the second Tuesdays of March, July and November of each year, at such places as they may designate, and at such other times and places as they shall determine. Applicants for certificates to practice medicine or surgery shall be examined in anatomy, physiology, medical chemistry, obstetrics, hygiene, surgery, pathology, diagnosis, therapeutics, practice and materia medica. Each committee shall frame its own questions and conduct its examination in writing, and both questions and answers shall be filed with and preserved for at least six years by the state department of health. Each of said committees shall make such rules and regulations for conducting such examinations under the provisions of chapter 148 of the general statutes as, from time to time, it shall deem necessary. Each applicant for examination under the provisions of said chapter 148 shall be examined by the committee representing the same school of practice in which the applicant was graduated; but before taking such examination he shall pay to the committee the sum of fifteen dollars. An applicant rejected by an examining committee may be re-examined by the committee before whom he appeared, at any subsequent meeting of said committee. Upon the receipt of the duplicate statements as provided in section 2855 of the general statutes as herein amended, the state department of health shall transmit one of said duplicate statements, together with a statement that a certificate of registration has been issued, to the town clerk of the town wherein the person filing such statements resides; and in case such person shall not reside in this state, the state department of health shall hold such statements until notified by such person of the name of the town in this state in which he intends to reside, when said department shall transmit such statements to the town clerk of such town; and such town clerk shall record the same in a book to be provided for that purpose by the state department of health, and shall then return the same to the person who filed such statements with said department; and such town clerk shall receive for such recording a fee of twenty-five cents, to be paid by the state department of health from the amount paid to its as aforesaid. The secretary of each of said medical societies shall file annually with the commissioner of health a list of medical colleges or institutions recognized as legal and reputable by his society or all of such secretaries may agree upon a single list; and such list or lists may be corrected as may be necessary.

Sec. 2858. EXCEPTIONS; PRESCRIPTIONS IN ENGLISH; PENALTIES; CLERK: No provision of Chapter 148 of the General Statutes shall be construed to repeal or affect any of the provisions of any private charter and no provision of said chapter shall apply to licensed pharmacists. All physicians or surgeons practicing under the provisions of said chapter shall, when requested, write a duplicate of their prescriptions in the English language. Every person who violates the requirements of this section regarding prescriptions shall be fined $10 for each offense. Every person violating any provision of Section 2854 of the General Statutes shall be fined not less than $100 nor more than $300 for the first offense, and for each subsequent offense not less than $200 nor more than $500, or imprisonment in the county jail for not less than thirty (30) nor more than ninety (90) days, or both; the fine, when collected, shall be paid one half to the person or corporation making the complaint and the other half to the state treasurer, who shall deposit the same to credit of the civil list fund. Every person who shall swear to any falsehood in any statement required by Section 2855 of the General Statutes to be filed with the State Department of Health shall be guilty of perjury.

Sec. 2859. REVOCATION OF CERTIFICATE: (Section repealed by Laws of 1927, chapter 317.)

Sec. 2860. APPEAL: (Section repealed by Laws of 1927, chapter 317.)

Sec. 2861. CHARGES, HOW PREFERRED: (Section repealed by Laws of 1927, chapter 317.)

Sec. 2862. LICENSE TO BE REVOKED FOR EXCESSIVE USE OF DRUGS: The authority authorized to grant any license or certificate of registration to any physician, dentist, veterinarian, pharmacist or registered nurse, after giving ten days' written notice in such manner as it may determine to any person holding such license or certificate of registration, and upon proof that such license or holder of such certificate is addicted to the use of any drug to such an extent as to render him incapable of performing his duties, may revoke such license or certificate of registration. After one year from the date of revocation of such license or certificate of registration, such authority may grant a new license or certificate of registration to such person upon finding that he has recovered from such habit. (But see Laws of 1927, chapter 317.)

Sec. 2863. **APPEAL:** Any person aggrieved by the action of the authority revoking any license or certificate of registration, under the provisions of Section 2862 of the General Statutes may bring a petition to the superior court in the county in which he resides, praying that such license or certificate of registration be restored. Such court may restore such license or certificate of registration upon finding any irregularity in the revocation of the same. Such petition shall be brought to the next return day, or the next but one, of such court, and costs in such proceedings shall be taxed in favor of the prevailing party as in civil actions, but no costs shall be taxed against the authority revoking such license or certificate. (But see Laws of 1927, chapter 317.)

Sec. 6507. **UNLAWFUL USE OF TITLE DOCTOR:** No person engaged in the practice of any branch of the art of healing the sick or injured or professing to be engaged in such practice shall make use of the title "doctor" or any abbreviation thereof without the further specification or qualification descriptive of the school or kind of practice engaged in by such person, or advertise himself as possessor of such title, unless he shall have received a degree of doctor of medicine, doctor of osteopathy or doctor of dental surgery from a reputable university or college authorized by law to confer such a degree; and no person who has not been legally licensed or registered to practice any branch of the healing arts in this state shall use or advertise or permit to be used or advertised in connection with his name or any trade name in the conduct of any occupation or profession involving or pertaining to public health the title "doctor" or any abbreviation thereof or any designation tending to designate him as a person capable of the diagnosis, treatment, prevention or cure of any human disease, pain, injury, deformity or physical condition, actual or imaginary; provided any dentist who shall have received a degree of doctor of dental surgery from a reputable university or college authorized by law to confer such degree and who is licensed to practice dentistry in this state, shall not be prevented from designating himself as the possessor of such degree or title. No provision of this section shall apply to any person admitted to practice under the provisions of the medical registration act of 1893. Any person violating any provision of this section shall be fined not more than one hundred dollars or imprisoned not more than sixty days or both.

Laws 1919, Chapter 120; as Amended Laws of 1927, Chapter 317

Section 1. Every person licensed under the provisions of the general statutes, or who may receive such license to practice medicine, surgery, midwifery, chiropractic, natureopathy, chiropody or nursing or any person licensed to use any means or agency to treat, prescribe for, heal or otherwise alleviate human ills, deformity, ailment or disease, shall, annually, during the month of January, register with the state department of health, upon payment of a fee of two dollars, on blanks to be furnished by said department for such purpose, giving his name in full, his residence and business address, and such other information as said department shall request. No provision of this section shall be construed to include any person practicing dentistry, osteopathy, optometry or Christian Science. On or before the first day of March in each year, the state department of health shall cause to be printed and mailed to each person who shall have registered in accordance with the provisions of this act a list of the names of all such registered persons, and there shall be printed at the beginning of such list the following: "Each person receiving this list is requested to report to the state department of health the name and address of any person known to be practicing any branch of the healing arts, or any subdivision thereof, in this state whose name fails to appear in this registry. The names of persons giving such information will not be divulged."

Sec. 2. Any person violating any provision of this act shall be fined not more than five dollars. The county health officer of the county within which such violation occurs shall prosecute therefore.

Laws of 1925, Chapter 267

Section 1 amended Sec. 2855 which was again amended and reenacted by Sec. 1, Chapter 317, Laws of 1927.

Sec. 2. The terms of all members of the examining boards provided for in chapters 148, 149 and 150 of the general statutes and chapter 245 of the public acts of 1923 shall expire July 1, 1925, and, on or before said date, the governor shall appoint the successors of the members of said boards for the unexpired portions of their respective terms. In making such appointments the governor shall not be limited to any list of names which shall have been submitted under the provisions of said chapters, provided the successors of the members of said boards whose terms of office are terminated by the provisions of this section shall be appointed, respectively, from such medical societies or branches of the healing arts as were the members of such boards whose terms of office are terminated hereby; and thereafter appointments to membership on such boards shall be made by the governor as provided herein for the filling of vacancies hereby created. Any portion of said chapters inconsistent with any provision of this act are repealed.

Laws of 1927, Chapter 317

(Sections 1 and 2 amend sections 2855 and 2857 of the Medical Practice Act, which has been revised accordingly.)

(Sections 3 and 4 amend the chiropractic act.)

(Sections 5, 6 and 7 amend the naturopathic act.)

Section 8. Whenever any person registered under the provisions of the general statutes to practice any branch of the healing arts shall remove his residence from the town in which he has been recorded with the town clerk, he shall, within thirty days thereafter, notify the state department of health of the name of the town to which he has removed and shall file the same statements with the town clerk of such town that were originally filed for him by the state department of health. The town clerk shall record such statements in a book provided for such purpose by the state department of health as aforesaid, and shall return such statements to the person who filed the same, and the town clerk shall receive from such person a recording fee of twenty-five cents.

Section 9. The governor may remove from office any member of any of the examining boards provided for in chapters 148, 149 and 150 of the general statutes and chapter 245 of the public acts of 1923 upon proof of the inability or misconduct of any such member and, upon such removal, may appoint a successor.

(Section 10 amends chapter 120, Acts of 1919, which has been revised accordingly.)

(Section 11 amends section 6507 of the general statutes, which has been revised accordingly.)

Section 12. The license or registration of any licensed or registered practitioner of the healing arts in this state may be revoked, suspended or annulled, or such practitioner may be reprimanded or otherwise disciplined, in accordance with the provisions of this act, upon decision, after notice and hearing, by the examining board representing the branch of the healing arts practiced by such practitioner, for any of the following reasons: (a) Conviction in a court of competent jurisdiction, either within or without this state, of any crime involving moral turpitude or of any crime in the practice of his profession or of a felony or of a misdemeanor; (b) immoral, fraudulent, dishonorable or unprofessional conduct; (c) illegal or incompetent or habitually negligent conduct in the practice of his profession; (d) habitual intemperance in the use of spirituous stimulants or addiction to the use of morphine, cocaine or other drugs having similar effect; (e) advertising which may be considered by such examining board to be deceptive, misleading, extravagant, improbable or unethical; (f) aiding or abetting the practice of any of the healing arts by an unlicensed person or a person whose license has been suspended or revoked; (g) failure to record his license or certicate of registration as required by law; or (h) insanity of such practitioner. The clerk of any court in this state in which a person practicing any of the healing arts shall have been convicted of any crime or misdemeanor shall, upon such conviction, make written report, in duplicate, to the state department of health of the name and residence of such person, the crime of which such person has been convicted, the date of conviction and the branch of the healing arts practiced by such person; and said department shall forward one of such duplicate reports to the examining board representing the branch of the healing arts practiced by such person.

Section 13. The examining board representing the branch of the healing arts practiced by any licensed or registered practitioner of the healing arts in this state shall have jurisdiction to hear charges against such practitioner. Any practitioner against whom charges shall be brought shall be furnished by said board with a statement of the charges in writing, together with a notice of the time and place of hearing thereon, at least ten days prior to the date fixed by said board for such hearing. If it shall be impossible to make personal service or service upon counsel, the secretary of said board shall cause to be published three times, at least thirty days prior to the hearing, a notice of the hearing in a newspaper published in the county in this state in which such practitioner was last known to reside, and a copy of such notice shall also be mailed to the accused at his last known address. Such practitioner shall have a right to a hearing before said board in person or by attorney and may produce witnesses and evidence in his behalf and examine witnesses and have subpoenas issued by said board, and said board may issue subpoenas and may examine witnesses concerning the guilt or innocence of such practitioner. The attorney general shall furnish legal advice and assistance to said board whenever such service shall have been requested. If, by unanimous vote of said board, the practitioner shall be found guilty of such charges or any of them, said board may, in its discretion, by written notice, reprimand or otherwise discipline such practitioner, or may, by written request of all the members of said board, recommend to the state department of health that the license or certificate of registration of such practitioner be revoked or be suspended for a period of time to be stated in such request. If the practitioner shall be found not guilty, said board shall order a dismissal of the charges. Upon receipt of any request for revocation or suspension as herein provided, the state department of health shall issue an order revoking the license or certificate of registration of such practitioner in accordance with such request, and shall transmit one copy of such order of revocation or suspension to such practitioner at his last-known address and one copy of such order to the town clerk of the town wherein the practitioner has last resided; and said town clerk shall record such order in the book provided by the state department of health for the recording of certificates of registration under the provisions of the general statutes and shall make a memorandum on the page where such practitioner's license or certificate of registration has been recorded, stating the book and page where such order of revocation or suspension has been recorded.

Section 14. Any person who shall consider himself aggrieved by the finding of such board may, within thirty days after written notice thereof from said board or from said department, appeal therefrom to the superior court to be held within the county where he resides, which court may grant such relief as to equity may appertain. Such appeal shall not act as a supersedeas of such finding or order unless so ordered either by said board or by the superior court or by a judge thereof. The attorney general shall act as attorney in the public interest in defending against such appeal.

Section 15. If the judgment against any practitioner convicted in a court as specified in paragraph (a) of section twelve of this act shall be subsequently reversed by a court of competent jurisdiction, the board which recommended revocation or suspension of the license or registration of such person shall, upon receipt of a certified copy of the judgment or order of reversal, restore to such person the right to practice, and the state department of health, upon written notice from said board that such right to practice has been restored, shall annul or vacate any order which revoked the license or registration of such practitioner because of such conviction; and the state department of health shall send notice of the fact of such order of reversal and restoration of the right to practice to the town clerk with whom such revocation or suspension has been recorded.

Section 16. No provision of this act shall be construed as repealing any part of section eight of chapter 161 of the public acts of 1925.

Section 17. No person shall (a) buy, sell or fraudulently obtain or furnish any diploma, certificate, license, record or registration purporting to show that any person is qualified or authorized to practice any branch of the healing arts, or any subdivision thereof, or any occupation or profession, such as dentistry or nursing, that relates to public health, or participate in any such act; or (b) practice or attempt or offer or advertise to practice any branch of the healing arts, or any subdivision thereof, or any other occupation or profession relating to public health, under cover of any diploma, certificate, license, record or registration illegally or fraudulently obtained or signed, or issued unlawfully or under fraudulent representation or mistake of fact in a material regard; or (c) practice or attempt or offer or advertise to practice any branch of the healing arts or any subdivision thereof or any occupation or professon relating to public health under a name other than his own or under a false or assumed name; or (d) use advertising relating to the public health which is untrue, fraudulent, misleading or deceptive; or (e) give or attempt to give training in any branch of the healing arts or any subdivision thereof, or aid or participate in the same, without first having received permission to do so from the general assembly; or (f) aid or abet practice in any branch of the healing arts or any subdivision thereof by a person not lawfully licensed or registered or authorized to so practice within this state, or by a person whose license or registration or authorization to so practice shall then be suspended or revoked; and no person shall, during the time his license, registration or authorization to practice any branch of the healing arts or any subdivision thereof shall be suspended or revoked, practice or attempt or offer or advertise to practice such branch or subdivision, or be employed by, work for or assist, in any way, any person licensed or registered to practice any branch of the healing arts or any subdivision thereof in this state. No provision of this section shall be construed to prevent any student in, or graduate from, any legal and reputable professional school, from taking supplementary training with any regularly licensed and reputable practitioner or from serving as interne in a hospital. Any person who shall violate any provision of this section shall be fined not more than five hundred dollars or imprisoned not more than one year or both for each separate violation and, for a second offense shall be both so fined and imprisoned.

Section 18. Sections 2859, 2860, 2861 and 2873 of the general statutes, that portion of sections 2862 and 2863 of the general statutes as amended relating to persons practicing a branch of the healing arts inconsistent herewith, that portion of section 2866 of the general statutes relating to the revocation of a license inconsistent herewith, that portion of section 2872 of the general statutes as amended by section three of chapter 221 of the public acts of 1925 relating to the revocation of a license or causing a licensee's name to be removed from the records of the board of chiropractic examiners inconsistent herewith and that portion of section six of chapter 245 of the public acts of 1923 relating to the suspension or revocation of a license inconsistent herewith, are repealed.

BASIC SCIENCE ACT

Laws of 1925, Chapter 161; as Amended Laws of 1927, Chapter 296

Section 1. The governor shall appoint, on or before July 1, 1925, a state board of healing arts consisting of three members, one of whom shall serve for two years, one for four years and one for six years from July 1, 1925. Upon the expiration of the term of any member of said board, the governor shall appoint his successor who shall serve for six years. If any member of the board shall die, resign or become incapacitated, the vacancy thus created shall be filled by appointment by the governor for the unexpired portion of the term. No person shall act as a member of said board who shall have received, from any school, college or department of a university teaching any branch of the healing arts, a degree in any of said healing arts or who shall be a trustee, director, officer or employee of any hospital. The members of the board shall receive no compensation for their services, but their reasonable expenses in the performance of their duties shall be paid by the comptroller.

Section 2. For the purposes of this act the practice of the healing arts shall be understood to be the practice of medicine, osteopathy, chiropractic and natureopathy as defined in chapters 148, 149 and 150 of the general statutes and chapter 245 of the public acts of 1923 and all amendments thereto.

Section 3. Any person desiring to take an examination to be admitted to practice any branch of the healing arts, or any subdivision thereof, who shall submit to the state board of healing arts evidence satisfactory to said board that he is a person of good moral character, that he was a graduate of a standard approved high school or that he possessed educational qualifications equivalent to those required for graduation by such high school before he began the study of the healing arts and submit evidence to the state board of healing arts that he has met the requirements of the general statutes as to professional training and has, as shown by written examination by said board, a comprehensive knowledge of anatomy, physiology, hygiene, pathology and diagnosis, upon payment of a fee of five dollars, shall receive from said board a certificate which shall be prerequisite to examination by the Connecticut medical examining board, the Connecticut homeopathic medical examining board, the Connecticut eclectic medical examining board, the state board of osteopathic registration and examination, the state board of chiropractic examiners or the state board of naturopathic examiners.

Any person desiring, on account of having been previously licensed or registered to practice any branch of the healing arts, or any subdivision thereof, in any other state of the United States or in the District of Columbia, or on account of holding a certificate of the national board of medical examiners, to be considered, without examination, by any of said examining boards for admission to practice any branch of the healing arts, or any subdivision thereof, in this state, who shall submit to said board of healing arts evidence satisfactory to said board that he is a person of good moral character, that he was a graduate of a standard approved high school or that he possessed educational qualifications equivalent to those required for graduation by such high school before he began the study of the healing arts and that he has met the requirements of the general statutes as to professional training and that he possesses a comprehensive knowledge of anatomy, physiology, hygiene, pathology and diagnosis, shall, upon the payment of five dollars, receive from said board a certificate which shall be prerequisite to the appearance of such person before any of said examining boards on application for admission without examination as aforesaid; provided any such person who shall have been in active and reputable practice in any other state of the United States or in the District of Columbia continuously for a period of five years preceding application for admission to practice in this state shall not be required to obtain such prerequisite certificate from said board of healing arts.

Section 4. Any person whose application for said certificate shall be denied by said board of healing arts may, within thirty days thereafter, appeal to the superior court for Hartford county, and said court shall, upon such appeal, inquire into the cause of such denial and may confirm or revoke such decision or may order said board to grant such appellant a certificate. Notice of such appeal shall be served upon any member of said board by leaving with such member or at his usual place of abode an attested copy thereof within thirty days after said board shall have notified such applicant of its decision.

Section 5. No provision of section three or section four hereof shall be construed as repealing any statutory provision with reference to the requirements for admission of applicants to examination by any of the examining boards herein enumerated.

Section 6. Said board shall adopt such rules and regulations governing its examinations as it shall deem advisable.

Section 7. Said board shall make an annual report to the governor on or before the thirtieth day of June and shall, on or before the thirtieth day of June and on or before the thirty-first day of December, in each year, pay to the state treasurer the money received by it as license fees under the provisions of this act.

Section 8. Said board shall act as a grievance committee to hear complaints which may be brought before it against any person practicing any of the healing arts. After hearing upon any such complaint, reasonable notice of which hearing shall have been given to the person so complained of, said committee shall present a statement of the charges contained in such complaint to the attorney general, if it shall deem it advisable or shall find probable cause therefor, and the attorney general shall thereupon bring an action based on such charges in the superior court for the county in which such person shall reside, and said court may order the revocation of the license of such person or take such other action as it may deem equitable.

MEDICAL PRACTICE ACT OF DELAWARE

Revised Statutes of Delaware, 1915, Title VI, Chapter 27; As Amended Delaware Laws, 1923, Chapter 58; Laws, 1925, Chapter 70.

Section 834. ESTABLISHMENT OF MEDICAL COUNCIL: A Medical Council of Delaware is established, consisting of the Chief Justice of the State and of the presidents of the two state boards of medical examiners provided for in this Chapter.

Sec. 835. DESIGNATION; RULES: The said council shall be known by the name and style of the "Medical Council of Delaware," and may make and adopt all necessary rules, regulations and by-laws for its own government, not inconsistent with the laws of this State, or of the United States, and shall have power to locate and maintain an office within this State for the transaction of business. Two members of said council shall constitute a quorum for the transaction of business.

Sec. 836. ORGANIZATION OF COUNCIL: The said council shall annually organize within ten days from the date of the organization of the two boards of medical examiners and shall elect from its own number a president and a secretary, who shall also act as treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

Sec. 837. COMPENSATION: The members of said council shall receive in addition to their necessary expenses, five dollars ($5.00) per day each for each meeting of the council, but said per diem shall not exceed in any one year more than twenty-five dollars ($25.00), the same to be paid out of the appropriation or fees hereinafter provided for.

Sec. 838. MEETINGS; CERTIFICATES: The said Medical Council shall hold two stated meetings in each year, and may hold special meetings at such times as it may deem proper. It shall issue certificates for license to practice medicine and surgery to such applicants as have presented such diplomas as hereinafter required and successfully passed the examination hereinafter provided. The said Medical Council shall have no powers, duties, or functions, except as provided for in this Chapter.

Sec. 839. TWO EXAMINING BOARDS PROVIDED FOR; APPOINTMENT; VACANCIES: There shall be two separate boards of medical examiners for the State of Delaware, one representing "The President and Fellows of the Medical Society of Delaware," and the other "The Homeopathic Medical Society of Delaware State and Peninsula."

Each board shall consist of five members, and each of said number shall serve for a term of two years from the first day of March next after appointment, with the exception of those first appointed, who shall serve as follows, namely: two of each board for one year, and three of each board for two years, from the first day of March, A.D., 1895.

The governor shall appoint the members of said board of examiners, respectively, from the lists of members submitted by said medical societies residing in this State, which lists shall on or before the first day of every January, be transmitted to the governor, under the seal and signed by the secretary of the society so nominating.

From these lists of nominees, respectively, the governor shall, within ten days after the receipt thereof, appoint two separate boards of medical examiners, each board to be composed exclusively of members of the same medical society. In case of the failure of either of the said societies to submit lists as aforesaid, the governor shall appoint members in good standing of the corresponding society entitled to nominate without other restrictions.

Each one of the said appointees must be a registered physician in good standing, and shall have practiced medicine or surgery under the laws of this State for a period of not less than five years prior to such appointment.

The governor shall fill vacancies caused by death or otherwise for unexpired terms of said examiners from the lists submitted as aforesaid, and may remove any member of either of said boards for continued neglect of the duties required by this Chapter, or on recommendation of the medical society of which said member may be in affiliation, for unprofessional or dishonorable conduct.

The appointments of successors to those members whose terms of office will expire on the first day of March of each year shall be made by the governor during the first ten days of January of such year, upon the same conditions and requirements as hereinbefore specified with reference to the appointment of two separate examining boards, each to be composed, exclusively of members of the same medical society, as hereinbefore provided.

Sec. 840. DESIGNATION: Said boards shall be known by the name and style of "Boards of Medical Examiners of the State of Delaware." Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the Secretary of State under his hand. Each of said boards of examiners shall make and adopt, all necessary rules, regulations and by-laws, not inconsistent with the laws of this State or of the United States, whereby to perform the duties and transact the business required under the provisions of this Chapter.

Sec. 841. DISPOSITION OF FEES: From the fees provided by this Chapter the Medical Council shall pay, not to exceed said income, all proper expenses incurred by its provisions; and if any surplus above said expenses shall remain at the end of any year, it shall be apportioned among said medical societies pro rata according to the number of candidates examined by each.

Sec. 842. ORGANIZATION: An annual meeting of each of the examining boards, respectively, shall be held on the first Tuesday of July. At such meeting of each of the boards, respectively, an organization shall be effected by the election from their own membership of a president and secretary, for the purpose of examining applicants for certificates for license. Each of said boards of medical examiners shall hold two or more stated or special meetings in each year, due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of either board shall constitute a quorum thereof, but the examination may be conducted by a committee duly authorized by said boards.

Sec. 843. QUESTIONS TO BE SUBMITTED TO COUNCIL: Each board of medical examiners, not less than one week prior to such examination, shall submit to the Medical Council of Delaware, questions for thorough examinations in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica.

The Medical Council shall select the questions for such examinations from the lists of questions submitted by the board of medical examiners of the candidate's election; and should there be candidates for examination of any other school than the two designated in this Chapter, they shall be examined by the council and some reputable practitioner in this State of such school, by said council to be selected, upon questions selected from standard text-books on the above subjects as taught by the school selected by the candidates.

Sec. 844. EXAMINATIONS: Said examinations shall be conducted in writing in accordance with the rules and regulations prescribed by the respective boards of medical examiners, and shall embrace the subjects named in Section 10 [843] of this Chapter. After each examination, the board of medical examiners having charge thereof shall without unnecessary delay, act on the same. An official report of such action, signed by the president, secretary and each acting member of said board of medical examiners, stating the result of examination, shall be transmitted to the Medical Council.

Sec. 845. CERTIFICATE TO ISSUE: On receiving from either of said boards of medical examiners such official report of the examination of any applicant for certificate for license, the Medical Council shall issue forthwith to each applicant who shall have been returned as having successfully passed the examination a certificate to that effect.

The Medical Council of Delaware may refuse to issue a certificate for a license to practice medicine and surgery or may revoke a certificate issued for a license to practice medicine or surgery for the following causes, to wit: Chronic and persistent inebriety; the practice of criminal abortion; conviction of a crime involving moral turpitude; or for publicly advertising special ability to treat or cure chronic incurable diseases, or where any person shall present to the said Medical Council any diploma, license or certificate that shall have been illegally obtained or that shall have been signed or issued unlawfully or under fraudulent representations; in complaints for violating the provisions of this section, the accused person shall be furnished with a copy of the complaint and given a hearing before the said Medical Council in person or by attorney.

Applicants examined and licensed by or who are or have been members of state examining and licensing boards of other states, or applicants examined and approved by the National Board of Medical Examiners, upon the payment of fifty dollars to the treasurer of the Medical Council of Delaware, and on filing with the secretary of said Medical Council a copy of his or her license or certificate certified to by the secretary of such board, showing also that the standard of requirements of the said board, at the time the said license or certificate was issued, was substantially the same as that required by the said Medical Council of Delaware, and of his or her affidavit as to the personality thereof; may be granted a certificate for a license to practice medicine and surgery by the said Medical Council upon the recommendation of the said boards of medical examiners, without further examination thereby.

The Medical Council shall keep a record of all certificates, when and to whom issued.

Sec. 846. APPLICATIONS; FEES; EXEMPTIONS: Any person not authorized to practice medicine and surgery in this State, and desiring to enter upon such practice, shall deliver to the secretary of the Medical Council, upon the payment of a fee of ten dollars ($10.00), a written application for examination, together with satisfactory proof that the applicant is more than 21 years of age, is of good moral character, has obtained a diploma from some reputable literary or scientific college, or a certificate from the faculty of Delaware College, signed by the president and attested by the secretary thereof, that he or she is qualified to enter the freshman class of the Latin scientific course of the said college, or its equivalent, as may be determined by the Medical Council, and has received a diploma conferring the degree of Doctor of Medicine, from some legally incorporated Medical College, which, in the opinion of the Medical Council, was in good standing at the time of the issuing of the said diploma and shall have served as an intern for one year in a hospital approved by the Medical Council.

Applicants who have received their degree in medicine, after the passage of this Act must have pursued the study of medicine for at least four years, including four regular courses of lectures of not less than seven months each, in different years, prior to the granting of said degree, in some legally incorporated medical college or colleges approved by the Medical Council. Such proof shall be made upon affidavit. Upon the making of said payment and proof, the Medical Council shall issue to said applicant an order for examination before such one of the state boards of medical examiners as the applicant for certificate may select. In case of failure at any such examination the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which application was first made, without the payment of an additional fee, but if after six months and before two years from such examination said application shall be withdrawn, the said ten dollars ($10.00) shall upon demand be returned. Provided, that applicants for license who graduated prior to July 1, A.D. 1901, and have been in continuous and reputable practice for at least five years since graduation, may be admitted to the examinations of one of said boards, upon certified and satisfactory evidence of good moral character, of three courses of medical lectures in different calendar years, and of a competent academic education according to the requirements of that time; and provided further, that applicants for license who graduated prior to July 1, A.D. 1896, and have been in continuous and reputable practice for at least ten years, may be admitted to the examination of one of said boards upon certified and satisfactory evidence of moral character, of two courses of medical lectures, in different calendar years, and of a competent academic education according to the requirements at that time.

Sec. 847. LICENSE REQUIRED; TEMPORARY LICENSE: It shall not be lawful for any person to practice medicine or surgery in this State without having obtained a license therefor as hereinafter provided. But a temporary license, of not less than two weeks nor more than four months, may be granted to a resident and legally qualified physician of another state to take charge of the practice of a resident and legally qualified physician of this State, during the latter's temporary illness or absence from the State, upon the written request of a physician residing in this State, and the payment to the secretary of the Medical Council of a fee of two dollars ($2.00) for the use of said council, and when such temporary license is so issued, the physician receiving such license shall have the right to practice medicine in the State of Delaware for the time specified in said temporary license.

Sec. 848. CLERK TO ISSUE LICENSE: The Clerk of the Peace of any of the counties of this State shall issue a license signed by the governor and countersigned by the Secretary of State and sealed with the seal of his office, certifying that such person is authorized to practice medicine and surgery in this State, conformably to the laws thereof, to any person who shall present to him a certificate as provided in this Chapter or who shall have been qualified in one of the counties of this State prior to the eighteenth day of April, A.D. 1895, and to no other person.

Sec. 849. DEFINITION: For the purpose of this Chapter the words, "practice of medicine or surgery," shall mean to open an office for such purpose, or to announce to the public, or to any individual, in any way, a desire or willingness or readiness to treat the sick or afflicted in any county in the State of Delaware, or to investigate or diagnosticate, or to offer to investigate or diagnosticate, any physical or mental ailment, or disease of any person, or to give surgical assistance to, or to suggest, recommend, prescribe or direct for the use of any person, any drug, medicine, appliance, or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound, fracture, or bodily injury, or deformity, after having received or with intent of receiving therefor, either directly or indirectly, any money, gift, or any other form of compensation. It shall also be regarded as practicing medicine within the meaning of this Chapter if any one shall use in connection with his or her name, the words or letters, Dr., Doctor, Professor, M.D., M.B., or Healer, or any other title, word, letter or other designation which may imply or designate him or her as a practitioner of medicine, or surgery, in any of its branches; provided that nothing in this Chapter shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to dentists or dental surgeons in the practice of dentistry, or to surgeons of the United States Army or Navy in the discharge of their official duties, or to prevent the mechanical application of glasses; provided further, that nothing contained in this Chapter shall prevent opticians from preparing eyes for testing or testing eyes and fitting glasses to correct vision, or to prevent druggists practicing pharmacy according to the existing laws, or to prevent the treatment of corns or bunions or the business of manicuring or the practice of massage.

Sec. 850. OSTEOPATHS: Any practitioner of the system, method or science of treating diseases of the human body commonly called osteopathy, who is now authorized by the laws of this State to practice osteopathy in this State, is authorized to continue in such practice without further conforming to, and notwithstanding any of the provisions of this Chapter, upon such practitioners of osteopathy paying to the State, the State License tax prescribed by law for physicians.

All other persons proposing to practice osteopathy in this State shall be examined by the Medical Council and some reputable practitioner in osteopathy in this State to be designated by the Medical Council; and provided further that all such future applicants to so practice shall be examined only upon such questions as shall be selected by the Medical Council and such selected associated practitioner of osteopathy in anatomy, physiology, hygiene, chemistry, obstetrics, pathology, diagnosis, histology, gynecology, surgery, toxicology, practice, urinalysis, and principles of osteopathy, and shall satisfy said Medical Council and such selected associated practitioner of osteopathy that before beginning the study of osteopathy, each such applicant has received a diploma from a high school, and that each such applicant has given sufficient study to and has been sufficiently instructed in the subjects last above enumerated. Any person who is a holder of a diploma regularly issued by any legally chartered and regularly conducted school of osteopathy which maintains a course of study in hours, subjects and terms equal to the hours, subjects and terms maintained by the Association of Osteopathic Colleges, who has been in personal attendance as a student in such legally chartered and regularly conducted school for at least four years, for terms of not less than nine months in each year before graduation, and who shall be of good moral character, shall be eligible to such examination, notwithstanding any of the provisions of this Chapter.

Upon successfully passing said examination the applicant to practice osteopathy shall be entitled to receive, and shall receive from said Medical Council, an appropriate certificate entitling him to practice as an osteopathic physician in this State. The Clerk of the Peace of any of the counties of this State shall, upon the payment of the amount of the State License Fee prescribed by law for physicians, issue to any practitioner of osteopathy authorized by law to practice osteopathy in this State and to any such person who shall present to him such certificate of the Medical Council, a license signed by the Governor and countersigned by the Secretary of State, with the seal of his office, certifying that such person is authorized to practice as an osteopathic physician in this State conformably to the laws thereof. Any person practicing osteopathy without such a license shall be subject to the penalties provided for in this Chapter. Applicants for examination shall pay the same fees as are required by this Chapter to be paid by applicants to practice medicine and surgery in this State. A certificate issued for a license to practice osteopathy may be revoked by the Medical Council for the same causes and under the same procedure that certificates to practice medicine or surgery may be revoked under this Chapter.

Sec. 851. CONSULTANTS FROM OTHER STATES: The provisions of this Chapter shall not apply to physicians who are practitioners of any other state coming into this State in consultation with any lawful practitioner of medicine and surgery in this State.

Sec. 852. NOT TO APPLY TO DENTISTS: This Chapter shall not in any way apply to dentists or to dental surgery.

Sec. 853. STATE REVENUE; CHAPTER NOT TO INTERFERE WITH: Nothing herein contained shall in any way interfere with the operation of Chapter 6, relating to revenue.

Sec. 854. PENALTIES FOR VIOLATION: Any person practicing or attempting to practice medicine, surgery or osteopathy, within this State contrary to the provisions of this Chapter, shall be guilty of a misdemeanor and upon conviction thereof in the Court of General Sessions of the county wherein the offense was committed, shall pay a fine of not more than five hundred dollars, nor less than one hundred dollars, or be imprisoned for a term of not more than one year.

Sec. 855. EXPENSES OF MEMBERS: The State Treasurer shall pay the sum of three hundred dollars per annum, in accordance with the provisions of Section 20 of Chapter 15, to the treasurer of the Medical Council of Delaware, who shall apportion and pay the same to the members of the said board, for their necessary expenses and per diem, as provided in Section 4 [837].

MEDICAL PRACTICE ACT OF THE DISTRICT OF COLUMBIA

Public Law, No. 831, 70th Congress, Approved Feb. 27, 1929.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That for the purpose of this Act the following words and phrases have the meanings assigned to them, respectively, except where the context otherwise requires:

(a) "Disease" means any blemish, defect, deformity, infirmity, disorder, disease, or injury of the human body or mind, and pregnancy, and the effects of any of them.

(b) "The healing art" means the art of detecting or attempting to detect the presence of any disease; of determining or attempting to determine the nature and state of any disease, if present; of preventing, relieving, correcting, or curing, or of attempting to prevent, relieve, correct, or cure any disease; of safeguarding or attempting to safeguard the life of any woman and infant through pregnancy and parturition; and of doing or attempting to do any of the acts enumerated above: Provided, That for the purpose of this Act the term "the healing art" does not include—

(1) Dentistry as defined in an Act entitled "An Act for the regulation of the practice of dentistry in the District of Columbia, and for the protection of the people from empiricism in relation thereto," approved June 6, 1892, as amended by Acts approved June 7, 1924, and March 4, 1927; nor

(2) Podiatry as defined in an Act entitled "An Act to regulate the practice of podiatry in the District of Columbia," approved May 23, 1918; nor

(3) Optometry as defined in an Act entitled "An Act to regulate the practice of optometry in the District of Columbia," approved May 28, 1924; nor

(4) Pharmacy as defined in an Act entitled "An Act to regulate the practice of pharmacy and the sale of poisons in the District of Columbia, and for other purposes," approved May 7, 1906, as amended by an Act approved March 4, 1924; nor

(5) Nursing as defined in an Act entitled "An Act to define the term 'registered nurse' and to provide for the registration of nurses in the District of Columbia," approved February 9, 1907.

(c) "To practice" means to do or to attempt to do, or to hold oneself out or to allow oneself to be held out as ready to do, any act enumerated in subsection (b) of this section as constituting a part of the healing art, for a fee, gift, or reward, or in anticipation of any fee, gift, or reward, whether tangible or intangible.

(d) "Commission" means the commission on licensure to practice the healing art, created by this Act.

(e) "Board" means a board of examiners created by this Act.

(f) "Drugless healing" means any system of healing that does not resort to the use of drugs, medicine, or operative surgery for the prevention, relief, or cure of any disease.

(g) "School" means any school, college, or university.

Sec. 2. No person shall practice the healing art in the District of Columbia who is not (a) licensed so to do, or (b) if exempted from licensure under sections 42 or 43 of this Act, then duly registered.

Sec. 3. No person shall practice the healing art in the District of Columbia otherwise than in accordance with the terms of his license or of his registration, as the case may be.

Sec. 4. There is hereby created a commission on licensure to practice the healing art in the District of Columbia, consisting of the president of the Board of Commissioners of the District of Columbia, the United States Commissioner of Education, the United States district attorney for the District of Columbia, the superintendent of public schools of the District of Columbia, and the health officer of the District of Columbia, each ex officio. The commission shall elect a president and a vice president. The health officer shall be the secretary and treasurer of the commission. The commission shall make and from time to time may alter such rules as it deems necessary for the conduct of its business, and for the execution and enforcement of the provisions of this Act. It shall adopt a common seal, and from time to time alter the same as to it seems proper. The courts shall take judicial notice of such seal.

Sec. 5. The commission shall establish minimum standards of preprofessional and professional education in the healing art and may establish minimum standards for hospitals for interne training. It may determine whether preprofessional and professional schools, and whether hospitals, attain such standards. It shall keep a record of its investigations and determinations with respect to all schools and hospitals and shall approve and enter in a proper register every school and every hospital attaining the prescribed standard or which had attained such standard during its existence. The commission may redetermine from time to time the standing of any school or hospital and may revise its register accordingly. The commission shall give no credit for any certificate, diploma, or degree emanating from any school, and it may refuse to give any credit for any certificate or diploma emanating from any hospital, not duly registered as provided by this Act: Provided, That this requirement as to registration shall not apply in the case of persons applying for license on years of practice under the provisions of section 24 of this Act.

Sec. 6. The commission shall receive, number consecutively, and record all applications presented in due form for licenses and for registration; but such applications may be classified according to their respective purposes, and numbered consecutively and registered according to the several classes thus established. If the commission finds that an applicant is entitled to a license by virtue of an outstanding license to practice medicine and surgery in the District of Columbia or by virtue of years of practice, under the provisions of section 24 of this Act, or by virtue of reciprocity, under the provisions of section 25, it shall issue to him a license accordingly. If the commission finds that an applicant has submitted satisfactory proof of age, moral character, preprofessional education, professional education, and, if required by the commission, of hospital training, but must be subjected to an examination to determine his professional fitness, under section 26, it shall certify him to the proper examining board for that purpose; and upon receipt of a report from any such board, satisfactory to the commission, showing that the applicant has passed such an examination, the commission, being of the opinion that the applicant is in all other respects legally qualified, shall issue to him a license to practice the healing art in the manner described in his application and as authorized by law, in whatever class the commission shall find him qualified to so practice.

Sec. 7. The commission may (a) appoint, suspend, and remove such examiners, counsel, clerks, inspectors, and other officers and employees as may be authorized by law; (b) enter into contracts for the use and occupancy of such quarters as may be necessary for its purposes; but the Commissioners of the District of Columbia are hereby authorized to furnish such quarters without cost to the commission if the necessary space is available in any building under their control; and (c) buy such supplies as may be necessary for its work and for the execution and enforcement of this Act: Provided, That the commission incurs no indebtedness in excess of money actually available.

Sec. 8. The commission shall appoint boards of examiners as follows: (a) A board of examiners in the basic sciences; (b) a board of examiners in medicine and osteopathy; (c) a board of examiners in chiropractic; and (d) a board of examiners in naturopathy. The commission shall appoint (e) a board of examiners in midwifery; and (f) such other boards of examiners in drugless healing as are necessary under the provisions of this Act. The board of examiners in the basic sciences, and the board of examiners in medicine and osteopathy, shall each consist of five members. Boards of examiners in midwifery and boards of examiners in drugless healing may consist of three to five members, as the commission deems proper. No examiner shall be appointed for a term longer than five years, and all appointments shall be made so that the term of one member of each board shall expire on the 31st day of December of each year. The commission shall appoint no person as a member of any such board who is not a citizen of the United States and who has not been a resident of the District of Columbia for at least three years immediately preceding his appointment. The commission may appoint as members of such boards persons employed in the service of the Federal Government and of the government of the District of Columbia; and persons so employed may accept such appointment and may receive such compensation for their services as examiners as may be provided by law and by the regulations of the commission. A member of any board is not debarred by such membership from employment under the Federal Government or the government of the District of Columbia, not inconsistent with the discharge of his duties as a member of such board.

Sec. 9. Each examining board shall elect a chairman and a secretary and may make such rules regarding the discharge of its duties as the commission may approve. Each board shall conduct examinations and make reports as required by law and by the rules of the commission.

Sec. 10. The commission shall appoint the several members of the board of examiners in the basic sciences so that there will be on said board at all times one or more members capable of determining whether applicants have or have not a sufficient knowledge of the sciences of anatomy, physiology, chemistry, bacteriology, and pathology to enable such applicants to understand and to apply such sciences in the study and practice of the healing art. No member of the board of examiners in the basic sciences shall teach or practice the healing art while serving in that capacity.

Sec. 11. The commission shall refer to the board of examiners in the basic sciences every applicant for a license to practice the healing art in the District of Columbia, except those entitled to licenses by virtue of licenses to practice medicine and surgery in the District of Columbia outstanding at the time of the approval of this Act, or by virtue of years of practice of osteopathy or some form of drugless healing in the District of Columbia at that time, for determination of the applicant's ability to understand and to apply the sciences of anatomy, physiology, chemistry, bacteriology, and pathology to the study and practice of the healing art. The commission shall refer such applicants so that the board of examiners in the basic sciences and any member of that board shall not know the method of practice the applicant has studied or the method of practice he intends to follow. The board of examiners in the basic sciences may examine any applicant referred to it, but it may accept in lieu of examination proof that the applicant has passed, before a board of examiners in the basic sciences, by whatsoever name it may be known, or before any examining or licensing board in the healing art as that art is hereinbefore defined, of any State, Territory, or other jurisdiction under the United States, or of any foreign country, an examination in anatomy, physiology, chemistry, bacteriology, and pathology, as comprehensive and as exhaustive as that required in the District of Columbia under authority of this Act. The board of examiners in the basic sciences shall report its findings to the commission. An applicant who is reported by the board as qualified in the sciences of anatomy, physiology, chemistry, bacteriology, and pathology, but who is not entitled to a license to practice the healing art, without examination, shall be certified by the commission to the board of examiners in medicine and osteopathy, or a board of examiners in drugless healing, as the case may be, for determination of his professional fitness. An applicant who is reported by the board as qualified in said sciences and who is entitled to a license by reciprocity, without examination, shall thereupon be given such a license. The commission shall issue no license to practice the healing art to any person who has not been reported by the board of examiners in the basic sciences as qualified in the sciences of anatomy, physiology, chemistry, bacteriology, and pathology, except to such persons as are entitled to licenses by virtue of licenses to practice medicine and surgery in the District of Columbia outstanding at the time of the approval of this Act and by virtue of years of practice of osteopathy or some form of drugless healing in said district prior to approval of this Act, and except to applicants for licenses to practice midwifery.

Sec. 12. The commission shall appoint as members of the board of examiners in medicine and osteopathy persons who have been graduated with the degree of doctor of medicine, doctor of osteopathy, or some equivalent degree by a school registered under this Act and who have taught or practiced, or taught and practiced, medicine and surgery or osteopathy for not less than five consecutive years, the last three of which at least, immediately preceding their respective appointments, have been in the District of Columbia.

The board of examiners in medicine and osteopathy shall be composed of four practitioners of medicine and surgery, one of whom shall be an adherent of the homeopathic school, and an osteopath. The degrees doctor of medicine and doctor of osteopathy shall be accorded the same rights and privileges under governmental regulations. They shall examine into the qualifications of all persons referred to them who desire to practice medicine and osteopathy. The questions propounded to such applicants shall be identical in every respect; with the exception of questions in the practice of medicine and practice of osteopathy which shall be propounded to applicants of these respective schools only, as the case may be, and the replies shall be examined and graded by the member or members of the board representing such schools of practice.

The board of examiners in medicine and osteopathy shall certify to the commission applicants whom they have found qualified to be licensed to practice medicine and surgery, or osteopathy and surgery, as the case may be.

Sec. 13. The commission shall refer to the board of examiners in medicine and osteopathy every applicant for a license to practice the healing art who does not intend and in his application agree to limit his practice to some named drugless method of healing and who is not entitled to a license without examination: Provided, That no applicant shall be certified to the board of examiners in medicine and osteopathy for examination who has not been reported by the board of examiners in the basic sciences as qualified in the sciences of anatomy, physiology, chemistry, bacteriology, and pathology.

Sec. 14. On petition of five or more adherents of any drugless method of healing, the commission shall appoint a board of examiners to determine the fitness of applicants for licenses to practice the healing art in the District of Columbia according to that method. Every such petitioner, at the time of signing the petition, shall have practiced the healing art in some manner, not necessarily in the manner described in the petition, for not less than five consecutive years immediately preceding, in the District of Columbia. The petition shall define the method of healing for which an examining board is desired, so as clearly to differentiate that method from the unrestricted practice of the healing art. The petition shall show as nearly as may be the number of schools teaching the method of healing described in it, and shall show the nature and extent of the facilities available for the education and training of practitioners of that method. It shall supply such other information as the commission may designate. The petition shall be sworn to by each of the petitioners to the best of his knowledge and belief.

Upon the filing of proper petition for the appointment of an examining board to determine the qualifications of applicants for licenses to practice according to the method of healing defined in the petition, the commission shall by resolution provide for the appointment of such a board and define exactly the method of practice to be covered by it and to be pursued by applicants licensed after examination by it. After the adoption of any such resolution the commission shall from time to time appoint boards to examine such applicants as may apply for licenses to practice the method of healing defined in such resolution. The commission shall appoint as members of any such board persons of good repute who have been graduated with some degree appropriate to the method of practice that the appointee has followed or intends to follow, by some school registered under this Act, and who have somewhere taught or practiced, or taught and practiced, the method of healing defined in the resolution for not less than five years immediately preceding their respective appointments, under authority of licenses empowering them so to do. In making such appointments, however, the commission shall give preference, when circumstances permit and other things are equal, to persons who have taught or practiced, or taught and practiced, the healing art according to the method defined in the resolution, in the District of Columbia, under licenses authorizing them so to do, for not less than three years immediately preceding their respective appointments: Provided, That any adherent of a method of healing for which the commission has provided a board of examiners, who has been graduated with an appropriate degree by some school representative of that method, who has practiced according to that system in the District of Columbia for not less than five consecutive years immediately preceding the approval of this Act, and who is entitled to a license, without examination, by virtue of the provisions of section 24 of this Act, is eligible for appointment as a member of that board.

Sec. 15. The commission shall refer to the appropriate board of examiners in drugless healing every applicant for a license to practice the healing art according to any method of drugless healing defined by the commission, who intends and in his application agrees to limit his practice to the system so defined, for determination of the applicant's fitness so to practice, and who is not entitled to a license to practice without examination: Provided, That no applicant shall be certified to any board of examiners in drugless healing who has not been reported by the board of examiners in the basic sciences as qualified in the sciences of anatomy, physiology, chemistry, bacteriology, and pathology.

Sec. 16. The commission may appoint, from time to time, as it deems expedient, a board of examiners in midwifery, consisting of not less than three and not more than five persons, who have practiced the healing art in the District of Columbia for not less than three years immediately preceding their respective appointments, under authority of licenses authorizing them so to practice. Appointments to such boards shall be made for such terms as the commission deems proper. The commission may abolish any such board at any time.

Sec. 17. The commission shall refer to a board of examiners in midwifery every applicant for a license to practice midwifery who intends and in her application agrees to limit her practice to the care of women during normal pregnancy and parturition, in so far as the licentiate is able to determine whether pregnancy and parturition are normal in any particular case, for determination of the applicant's fitness so to practice, and who is not entitled to a license by virtue of an outstanding license to practice midwifery in the District of Columbia in force at the date of the approval of this Act.

Sec. 18. Examinations shall be held by the board of examiners in medicine and osteopathy, the boards of examiners in drugless healing, and the board of examiners in midwifery, beginning on the second Monday in January and July of each year and at such other times as the commission may by rule or by special order determine. Examinations shall be held by the board of examiners in the basic sciences at such times as the commission may by rule or by special order determine, having due relation to the dates of the examinations held by the board of examiners in medicine and osteopathy and the boards of examiners in drugless healing. The commission shall publish notice of the time and place of each examination and of other pertinent information concerning it, not less than thirty days before the first day of each such examination, in one or more newspapers of local circulation and, except in so far as relates to examinations for licenses to practice midwifery, in one or more medical or osteopathic journals of national circulation; and if there be any board or boards of examiners in drugless healing, then in a journal or journals, if there be any, of national circulation, representing a method or methods of healing corresponding to the method or methods represented by such board or boards.

Sec. 19. The commission shall by rule prescribe the nature and extent of the examinations to be conducted by each of the examining boards. All applicants examined by the board of examiners in the basic sciences shall be subjected to the same examination and rated on the same scale, as nearly as may be. All applicants, except applicants for licenses to practice midwifery, shall be subjected to the same examination and rated on the same scale, by the respective examining boards to which they are referred by the commission, in the diagnosis and prevention of communicable disease. Every examination shall be in writing, in the English language, but each shall be supplemented, if practicable, by laboratory and clinical tests and, if the commission deems proper, may be supplemented by oral examinations. Every examination shall be conducted, so far as the character of the examination permits, so that no examining board and no member thereof shall know the identity of the person examined. In any one examination by any one board the questions propounded to and the problems set for each applicant shall be as nearly the same as the character of the examination will permit. As a guide for determining whether an applicant has or has not passed, the commission shall fix by rule a uniform standard for all applicants, except that the commission may fix maximum credits to be allowed for such experience as the applicant may have had as a licensed practitioner and in the discretion of the commission may require an applicant claiming any such credit to be subjected to clinical and laboratory tests to demonstrate what credit he shall be allowed, if any. The general rules formulated by the commission to govern examinations may be modified with respect to examinations conducted by the board of examiners in the basic sciences and by boards of examiners in midwifery, in so far as the nature and function of the examinations conducted by those boards require. Except as hereinbefore stated, all examinations shall conform as nearly as may be to a uniform standard, to the end that every licensed practitioner of the healing art in the District of Columbia may conform so far as may be possible to a single uniform standard of professional fitness.

Sec. 20. The board of examiners in the basic sciences, the board of examiners in medicine and osteopathy, and each board of examiners in drugless healing before which any applicant is to appear at the next ensuing examination, shall submit to the commission, not less than ten days before each examination, such questions as may be required by the rules of the commission governing examinations. The commission shall cause the questions so submitted to be prepared for distribution and to be distributed in the course of the examination at appropriate times; but from the questions submitted by the several examining boards in the diagnosis and prevention of communicable diseases, the commission shall select the questions to be used, and if the commission deems proper may revise and supplement such questions, and shall submit to all applicants appearing at any one examination the identical questions with respect to the subject named.

Sec. 21. The commission shall provide the place or places and all necessary facilities for examinations, including such supervisors or proctors as the commission deems necessary. The commission shall assign to each applicant a number under which his examination shall be conducted, with a view to the concealment of the identity of the examinee from the examiner, so far as may be practicable. The supervisor or proctor designated by the commission shall collect all examination papers and deliver them or cause them to be delivered to the several examiners who are to examine them. each examining board shall, as speedily as possible, examine all applicants referred to it and report its findings to the commission. All reports of written examinations shall be made under the numbers of the several examinees and not under their names; but each board shall report to the commission, under the names of the several examinees, the results of the clinical and laboratory tests and of the oral examination, if any, to which the examinee has been subjected. The written and the oral examination and the clinical and the laboratory tests shall each be rated on a basis of one hundred, and the reports of the several boards of examiners shall be made accordingly. The relative weight to be given to each, the passing grade, and the weight to be allowed for experience, shall be fixed by the commission by regulations. The final standing of each applicant shall be determined by the commission in accordance therewith.

Sec. 22. The commission shall carefully consider the reports of the board of examiners in the basic sciences and of the examining board by which any applicant has been examined, purporting to show the qualifications of the applicant. If the commission is satisfied that the applicant is qualified to practice the healing art in accordance with law and within the limits fixed by his application, the commission shall issue to him a license attesting that fact and authorizing him so to practice in whatever class of practice the commission has found him qualified, so long as that license is unsuspended and unrevoked. All reports of examining boards and all questions to and answers by applicants in written examinations shall be open to inspection by any person who shows to the satisfaction of the commission that he has some proper interest in them. All examination papers shall be preserved by the commission for a period of not less than two years. The commission shall record all licenses in a book kept for that purpose, which shall be duly indexed. Licenses shall be consecutively numbered, except that licenses of different classes may be numbered and recorded in separate series. Licenses shall show on their faces the class of practice for which they are issued, and licentiates shall display the same prominently in their offices at all times.

Sec. 23. Any person desiring to practice the healing art in the District of Columbia shall apply to the commission, in writing, for authority so to do. The application shall be in such form and accompanied by such evidence of the qualifications of the applicant as the commission requires. Each application shall show whether the applicant (a) seeks a license (1) on the basis of a license to practice medicine and surgery in the District of Columbia, under section 24 of this Act; (2) on the basis of years of practice, under section 24; (3) on the basis of reciprocity, under section 25; or (4) on the basis of examination under section 26; or (b) seeks registration as a person exempted from licensure, under section 42. Each application shall be accompanied by a fee, as follows: For a license on the basis of a license to practice medicine and surgery in the District of Columbia, a fee of $1; on the basis of years of practice in the District of Columbia, a fee of $25; for a license on the basis of reciprocity, a fee of $50; for certification of applications for license by reciprocity in other jurisdictions, a fee of $10; for a license on the basis of examination, a fee of $25; for registration as a person exempted from license, a fee of $1; but physicians and surgeons of the United States Army, Navy, and Public Health Service, and medical officers in any other branch of the Federal Government whatsoever, and practitioners of the healing art residing within and licensed by States bordering on the District of Columbia, who do not maintain an office or appoint places where patients may be met within the District of Columbia, applying for registration as persons exempted from licensure in the District of Columbia, shall not be required to pay any fee in connection with any such application. The commission may, on showing of any adequate cause, refund to an applicant for a license on the basis of examination any or all of the fee paid by him, prior to the reference of his application to an examining board for consideration, and thereafter if the applicant is by reason of sickness or other adequate cause prevented from entering the examination, the commission may refund not more than 50 per centum of such fee. An applicant for a license by reciprocity who fails to establish his right to such a license, and an applicant for registration as a person exempted from licensure who fails to establish his rights to such registration, may be repaid by the commission not to exceed 80 per centum of the amount deposited by him with his application.

Sec. 24. Every person licensed to practice medicine and surgery or to practice midwifery in the District of Columbia under the provisions of an Act entitled "An Act to regulate the practice of medicine and surgery, to license physicians and surgeons, and to punish persons violating the provisions thereof in the District of Columbia," as approved June 3, 1896, as amended, who desires to continue so to practice after this Act becomes effective, shall apply for a license so to do. As soon as practicable after the approval of this Act the commission shall by publication give notice of this requirement in one or more newspapers of general circulation in the District of Columbia and in one or more medical journals of national circulation. Application for such relicensing shall be made within ninety days after the publication of such notice. A licentiate who within the time thus limited applies for relicensing may continue to practice until the commission has acted on his application and granted to him a new license, if he be entitled thereto. A licentiate who fails to make application for relicensing within the time thus limited, but who later makes such application, shall not practice until after a new license, if the commission finds him entitled thereto, has been issued to him. After five years after the approval of this Act the commission shall issue no license to practice the healing art in the District of Columbia on the basis of a license to practice medicine and surgery or to practice midwifery, in the District of Columbia, in force on the date of its approval. Every license issued under the provisions of this section shall show whether the licentiate was licensed in the first instance on the basis of a diploma and of registration without examination, or on the basis of examination, and shall show the date of such original registration, if there be any, and of such original license.

Any person who was engaged in the practice of osteopathy in the District of Columbia on or before January 1, 1928, may deliver to the commission, within ninety days after the approval of this Act, a written application for a license to practice osteopathy and surgery in the District of Columbia, together with satisfactory proof that the applicant is not less than twenty-one years of age and of good moral character, and had previously obtained a diploma from some legally incorporated school or college of osteopathy, and had been actively engaged in the practice of osteopathy for the past ten years, or had previously obtained a diploma from some legally incorporated college of osteopathy whose requirements were equal to those recognized by the American Osteopathic Association.

When the commission is satisfied as to the qualifications of the applicant as aforesaid, it shall issue to him a license to practice osteopathy and surgery: Provided, That the commission may, in its discretion, issue to such applicants licenses to practice osteopathy only, which licenses shall not permit the practice of surgery unless they satisfy the commission that they have had adequate clinical facilities at their respective colleges of graduation, or by hospital work, to enable them to practice surgery. Each license so to do shall show that was issued on the basis of years of practice in the District of Columbia and without examination.

Any person who was engaged in the practice of chiropractic in the District of Columbia on or before January 1, 1928, may deliver to the commission, within ninety days after the approval of this Act, a written application for license to practice chiropractic in the District of Columbia, together with satisfactory proof that the applicant is not less than twenty-one years of age and of good moral character, and had previously obtained a diploma from some legally chartered or incorporated and duly established school or college of chiropractic and was actually engaged in the practice of chiropractic in said District on January 1, 1928.

When the commission is satisfied as to the qualifications of the applicant as aforesaid, it shall issue to him a license to practice chiropractic. Each license so to do shall show that it was issued on the basis of actual practice in the District of Columbia without examination.

Any person who has been engaged in the practice of the healing art as defined in this Act, in the District of Columbia on or before January 1, 1928, according to any other drugless method of healing, who has been graduated with a degree appropriate to the system of drugless healing that he has practiced by a legally chartered or incorporated and duly established school, and who desires to continue so to practice, shall, within ninety days after the approval of this Act submit proof, satisfactory to the commission, of such date of practice and of graduation, of the fact that he is not less than twenty-one years of age and of good moral character, and of the name, character, and limits of the method of healing practiced by him. When the commission is satisfied as to the qualifications of the applicant as aforesaid, it shall issue to the applicant a license to practice the healing art in accordance with the system described by the applicant, if recognized by the commission as a named system of drugless healing, which shall be clearly defined and limited in the license so as to distinguish it from all other systems of practice. A license issued in any such case shall show that it was issued on the basis of years of practice and not on the basis of examination.

Sec. 25. An applicant who desires to obtain a license without examination, by virtue of a license issued to him by a State, Territory, or other jurisdiction forming a part of the United States, or by a foreign country, shall submit proof, satisfactory to the commission, that he is not less than twenty-one years of age and is of good moral character; that he was licensed to practice the healing art in the jurisdiction whence he comes under conditions that at that time would have enabled him to obtain a license to practice the healing art in the District of Columbia, or to have obtained a license under the provisions of this Act were it then in force; that he practiced the healing art under authority of said license for not less than two consecutive years immediately preceding the date of his application, and that he intends, if licensed by the commission, to practice in the District of Columbia. The applicant shall submit, also, proof that the licensing agency of the jurisdiction whence he comes or desires to come grants, without examination, to licentiates of the District of Columbia of the same class, licenses to practice the healing art within its jurisdiction. When the commission is satisfied as to the qualifications of the applicant as aforesaid and as to the readiness of the licensing agency of the jurisdiction whence the applicant comes to license, without examination, licentiates of the licensing agency of the District of Columbia of the same class, the commission shall issue to the applicant a license to practice the healing art corresponding in scope as nearly as may be to the license issued to him by the jurisdiction whence he comes: Provided, That an applicant who has been examined under authority of the commission and who has failed, shall not thereafter be licensed by the commission by virtue of reciprocity with another jurisdiction.

Sec. 26. Each applicant for a license to practice the healing art, to be issued after examination, shall submit with his application proof satisfactory to the commission that he is not less than twenty-one years of age; that he is of good moral character; that he has had not less than two years of preprofessional education and training in a college or university acceptable to the commssion before entering on the study of the healing art; that he has studied the healing art through not less than four graded courses of not less than nine months each, in a professional school or schools registered under this Act, and has been graduated by such a school with the degree of doctor of medicine, doctor of osteopathy, or some equivalent degree; and, if required by the commission, that he has had not less than one year of training in a hospital registered by the commission under this Act: Provided, That an applicant who has had the education and training required above, in preprofessional and professional schools, but whose graduation has been deferred by the professional school he last attended until after he has completed his training in a registered hospital, may be admitted to examination; but no license shall be issued to any such applicant until after he has been graduated from a registered school: Provided further, That an applicant for a license to be issued after examination who was graduated before the approval of this Act by a school registered under this Act may, if otherwise qualified, be admitted to examination upon proof by the applicant of such preprofessional and professional education and training, and of such graduation, as were required by the laws of the District of Columbia regulating the practice of medicine and surgery at the time of such graduation: Provided further, That an applicant for a license to practice osteopathy and surgery who has been graduated as aforesaid prior to December 31, 1930, shall be examined and licensed on showing that he was graduated by a high school acceptable to the commission before he entered on the study of osteopathy and that he in all other respects is qualified as aforesaid for examination: And provided further, That an applicant for a license to practice drugless healing, who has been graduated before December 31, 1935, may be admitted to examination on proof that before entering on the study of drugless healing he was graduated by a high school acceptable to the commission, and that he in all other respects is qualified as aforesaid for examination, and was graduated by a school registered under this Act, teaching the method of healing that he intends to follow, with a degree appropriate to that method of healing, after not less than three graded courses of resident study and training of at least six months each. After December 31, 1935, every such applicant shall be required to submit, before he is referred to an examining board for examination, evidence of not less than two years' education in a college acceptable to the commission and not less than four graded resident courses of professional study of not less than nine months each, in the same manner and to the same extent as are required of other applicants for licenses to practice the healing art.

An applicant for a license to practice midwifery shall submit proof, satisfactory to the commission, that before beginning the study of midwifery she had been graduated by a high school acceptable to the commission and thereafter studied midwifery in a school of midwifery registered under this Act, for at least two graded courses of six months each, including attendance of not less than twenty-five cases of labor, and was duly graduated by that school.

Sec. 27. The Supreme Court of the District of Columbia, sitting as a court of equity, may suspend or revoke any license issued and any registration effected under this Act, upon evidence showing to the satisfaction of the court that the licentiate or registrant, as the case may be, has been guilty of misconduct or is professionally incapacitated.

Proceedings looking toward the suspension or revocation of a license or registration shall be begun by petition filed in the Supreme Court of the District of Columbia in the name of the Commission on Licensure to Practice the Healing Art, or of the Commissioners of the District of Columbia, or of the major and superintendent of police of said District, and shall be verified by oath. Proceedings shall be conducted according to the ordinary rules of equity practice and such supplementary rules as said court may deem expedient to carry into effect the purpose and intent of this Act; and said court is hereby authorized to make such supplementary rules. An appeal may be taken from the decision of the Supreme Court of the District of Columbia to the Court of Appeals of said District. Any such appeal on behalf of the commission or of the Commissioners of the District of Columbia or of the major and superintendent of police of said District may be filed without bond. The Supreme Court of the District of Columbia may determine whether a license or registration shall be suspended or be revoked, and if such license is to be suspended said court may determine the duration of such suspension and the conditions under which such suspension shall terminate.

Sec. 28. No person shall file or attempt to file with the commission any statement, diploma, certificate, credential, or other evidence when he knows, or when he might by reasonable diligence ascertain, that it is false and misleading.

Sec. 29. No person who has been referred by the commission to an examining board for examination and to whom has been assigned by the commission a number under which to write and deliver his answers in connection with the written examination shall disclose to any examiner, or permit to be disclosed to any examiner, the number so assigned, or in any other avoidable manner enable the examiner to determine the identity of the applicant whose papers he is examining.

Sec. 30. No person shall allow any other person to impersonate him in any manner whatsoever, in obtaining or attempting to obtain any certificate, license, or registration.

Sec. 31. No person shall disclose, directly or indirectly, to an applicant for a license, in advance of any examination or test to which the applicant is to be subjected, any question to be propounded to the applicant or any test to which he is to be subjected. No applicant for a certificate, license, or registration under this Act, and no other person whosoever shall procure or undertake to procure any such disclosure.

Sec. 32. No person licensed or registered under this Act shall allow any other person to impersonate him in connection with practice under any such license or registration.

Sec. 33. No person shall impersonate a person licensed or registered under this Act in connection with the practice of the healing art under such license or registration.

Sec. 34. No person shall alter or forge, or attempt to alter or forge, any diploma or other evidence of graduation in the healing art, or any certificate or evidence of any kind, with the intent that it shall be used to evade the provisions of this Act.

Sec. 35. No person shall alter or forge, or attempt to alter or forge, any license or evidence of registration, or counterfeit the seal of the commission, or make any counterfeit impression of that seal.

Sec. 36. No person having any office or duty to perform with respect to the licensing or registration of applicants for licenses and for registration under the provisions of this Act shall knowingly rate unfairly or give any unauthorized advantage to, or impose any unfair disadvantages on, any such applicant.

Sec. 37. Any person who swears or affirms to the truth of any matter or opinion that he knows to be false, for the purpose of evading, hindering, or impeding the purposes of this Act is guilty of perjury. Any person who swears or affirms falsely, outside of the District of Columbia, if his oath or affirmation be delivered to the commission in said District shall be guilty of perjury in said District and shall be tried and punished under the laws thereof.

Sec. 38. The commission may refuse to license or to register any person for any cause that in the judgment of the commission would, under the provisions of section 27 of this Act, authorize the Supreme Court of the District of Columbia to suspend or revoke a license or registration, if issued or granted. Before the commission refuses to license or register any applicant for any cause under the provisions of this section, it shall give that applicant an opportunity to be heard in person or by attorney, and to produce witnesses on his behalf. Witnesses may be produced on behalf of the commission and on behalf of any interested person. The attendance and testimony of witnesses may be compelled by subpœna issued by the Supreme Court of the District of Columbia, and said court is hereby authorized to issue and to enforce such subpœnas, on petition of the commission. Any person failing or refusing, without just cause, to appear and testify in response to any such subpœna, or in any way obstructing the course of any hearing to which he has been subpœnaed, is guilty of contempt of court and may be punished as other persons guilty of contempt of court are punished. Any member of the commission may administer oaths at any such hearing. On the petition of any applicant to whom a license or registration has been denied by the commission by virtue of this section, the action of the commission may be reviewed by the Supreme Court of the District of Columbia on a writ of certiorari, subject to appeal to the Court of Appeals of the District of Columbia, in the same manner as appeals are taken in similar cases.

Sec. 39. Any person violating the provisions of this Act shall upon conviction thereof be punished by a fine of not more than $100 or by imprisonment for not more than ninety days, or by both such fine and imprisonment, in the discretion of the court.

Sec. 40. If a person licensed or registered under the provisions of this Act be convicted in the Supreme Court of the District of Columbia of any felony, the court, without further hearing or procedure, may suspend for such time and under such conditions as it deems proper, or may revoke, the license or registration of the defendant, in addition to imposing any other penalty provided by law. An appeal by the defendant in any such case from the conviction of the offense shall act as a supersedeas to the judgment of the court suspending or revoking his license or registration.

Sec. 41. The unlawful practice of the healing art may be enjoined by the Supreme Court of the District of Columbia, sitting as a court of equity, on petition by the commission, or by the Commissioners of the District of Columbia, or by the major and superintendent of police of this District; but no such proceedings shall be entertained in advance of the conviction of the person sought to be enjoined, of violation of the provisions of this Act. In any such proceeding it shall not be necessary to show that any person is individually injured by the act or acts complained of. No injunction, either temporary or permanent, shall be granted until after final trial and final judgment on the merits of the case, nor until after a hearing is had on the petition. If on the trial it is shown that the respondent has been unlawfully practicing the healing art the court shall perpetually enjoin him from so practicing or continuing to practice, unless and until he has been duly licensed so to do. Procedure in such cases shall be the same as in any other injunction suit, as nearly as may be. The remedy by injunction given hereby is in addition to criminal prosecution and punishment based thereon, and not in lieu thereof. Such cases shall be advanced for trial on the docket of the trial court, and shall be advanced and tried in the appellate court, in the same manner and under the same law and regulations as apply to other suits for injunction.

Sec. 42. The provisions of this Act forbidding the practice of the healing art without a license shall not apply (a) to commissioned surgeons of the United States Army, Navy, or Public Health Service, or to medical officers in any other branch of the Federal Government whatsoever, in the discharge of their official duties; nor (b) to practitioners of the healing art duly licensed to practice their respective callings in States or Territories, or in jurisdictions under the control of the Federal Government, or in foreign countries, and actually called from such States, Territories, jurisdictions, or countries, in consultation, to visit specified patients in the District of Columbia or to give demonstrations or clinics under the auspices and for the members of an incorporated organization made up of licensed practitioners of the healing art in the District of Columbia; nor (c) to practitioners licensed to practice their respective callings in States and Territories, and in other jurisdictions forming a part of the United States, or in foreign countries, and called from such States, Territories, jurisdictions, or countries to visit, on their own behalf and not in consultation, specified patients in the District of Columbia: Provided, That all practitioners claiming exemption under the provisions of this section, except those called into the District of Columbia on consultations only, shall file with the commission, in such manner as the commission may prescribe, evidence of their right to such exemption. Upon proof of that right, to the satisfaction of the commission, the commission shall enter the name of the applicant in a register kept for that purpose and shall issue to the applicant a certificate in evidence of such registration.

Sec. 43. The provisions of this Act shall not be construed to apply to (a) the treatment of any case of actual emergency; or (b) to the practice of massage, or dietetics, or the use of hygienic measures, for the relief of disease or to the practice of any other form of physiotherapy for the relief of disease, or to the practice of X-ray or laboratory technicians, under the direction of a person licensed to practice the healing art in the District of Columbia: Provided, That clinical and radiographic laboratories in operation and practitioners of clystertory treatment, within the District of Columbia January 1, 1928, may continue to so operate under the provisions of this Act; or (c) to the use of ordinary hygienic, dietetic, or domestic remedies: Provided, That such use is not in violation of the provisions of sections 1 and 2 of this Act; or (d) to persons treating human ailments by prayer or spiritual means, as an exercise or enjoyment of religious freedom: Provided, That the laws, rules, and regulations relating to communicable diseases and sanitary matters are not violated; or (e) to the sale, manufacture, or advertising of drugs and medicines: Provided, That the vendor, maker, or advertiser, refrains from any attempt to diagnose: Provided, That it shall not be necessary to negative any of the aforesaid exemptions in any prosecution brought under this Act, but the burden of proof of any such exemption shall be on the defendant.

Sec. 44. All money payable under the provisions of this Act shall be paid to the collector of taxes of the District of Columbia and be by him deposited as a special fund to the credit of the commission. The commission shall pay from such fund all of the expenses of carrying this Act into effect, except such as may be incident to criminal prosecutions and to supervision and investigation with a view to criminal prosecution, the cost of which shall be paid from appropriations in the same manner as the expenses of other criminal prosecutions and supervisory work and investigations incident thereto are paid. Payments by the commission shall be made by check, signed by the president and treasurer of the commission. Members of the several examining boards and all officers and employees of the commission shall be paid at such rates as the commission deems proper.

Sec. 45. As soon as practicable after the approval of this Act the Board of Medical Supervisors of the District of Columbia, the Board of Medical Examiners of said District, the Board of Homeopathic Medical Examiners, and the Board of Electric (sic) Medical Examiners shall deliver to the Commission on Licensure to Practice the Healing Art in the District of Columbia all records and property in their possession, respectively. The Board of Medical Supervisors of the District of Columbia shall transfer to said commission all money remaining to the credit of said board after the payment in full of all outstanding obligations against it; and the money so transferred may be used by the commission to defray the expenses of carrying this Act into effect in the same manner as other money coming into the custody of the commission is used for that purpose.

Sec. 46. It shall be the duty of the Commissioners of the District of Columbia and of the major and superintendent of police of said District to enforce the provisions of this Act. Criminal prosecution shall be conducted by the United States district attorney for the District of Columbia. Proceedings looking toward the suspension or revocation of licenses or registration and toward the issue of injunctions, under the provisions of this Act, shall be conducted by said United States district attorney when instituted on behalf of the commission, and by the corporation counsel for the District of Columbia when instituted on behalf of the commissioners of said District or by the major and superintendent of police of said District.

Sec. 47. The commission shall report annually to Congress, on the first Monday in December, its proceedings under the provisions of this Act during the next preceding fiscal year, with recommendations for such further legislation as may be necessary to protect the people of the District of Columbia from ignorance and quackery in the practice of the healing art in said District.

Sec. 48. This Act may be cited as the "Healing Arts Practice Act, District of Columbia, 1928."

Sec. 49. Matters pending before the Board of Medical Supervisors of the District of Columbia at the time of the approval of this Act shall be disposed of by the commission in accordance with the provisions of this Act, unless in the judgment of the commission it would be unjust or oppressive so to do; any matter, which in the judgment of the commission, it would be unjust or oppressive so to dispose of, may be disposed of by the commission, in so far as may be practicable, in accordance with the provisions of the law in force when the matter first came before the Board of Medical Supervisors. Criminal prosecutions may be instituted and, if instituted at the time of the approval of this Act, may be continued, and penalties may be imposed, under the provisions of the law in force at the time of the alleged offense, notwithstanding the passage of this Act. Except as provided above, all laws contrary to this Act or inconsistent therewith are hereby repealed.

KEY TO SPECIALTIES AND SPECIAL SOCIETIES

A SYMBOL DESIGNATING SPECIALTY IS ENTERED ON REQUEST WHENEVER THE PHYSICIAN IS (1) A MEMBER OF A CONSTITUENT STATE ASSOCIATION, (2) A MEMBER OF A SPECIAL SOCIETY OF WHICH THE MEMBERSHIP IS LISTED IN THE DIRECTORY, OR (3) A PROFESSOR IN A MEDICAL SCHOOL CLASSED "A" OR "B" IN THE RATING OF THE COUNCIL ON MEDICAL EDUCATION AND HOSPITALS. SPECIALTIES ARE INDICATED AS FOLLOWS:

S—Surgery.
Ob—Obstetrics.
G—Gynecology.
ObG—Obstetrics and Gynecology.
Or—Orthopedic Surgery.
Pr—Proctology.
Oph—Ophthalmology.
LR—Laryngology, Rhinology.
ALR—Otology, Laryngology, Rhinology.
OALR—Ophthalmology, Otology, Laryngology, Rhinology.
U—Urology.
D—Dermatology.
Pd—Pediatrics.
N—Neurology.
P—Psychiatry.
NP—Neurology and Psychiatry.

MEDICAL PRACTICE ACT OF FLORIDA

Laws of Florida, 1921, Chapter, 8415, as Amended, Laws of 1927, Pages 44 and 46.

Section 1. ACTS REPEALED: That from and after the passage and approval of this Act, the following sections of the Revised General Statutes of Florida, to wit: Section 2169, relating to requirements to obtain certificates; Section 2170, relating to the appointment of a Board of Eclectic Examiners by the Governor; Section 2171, relating to the examination of applicants by said Eclectic Board; Section 2172, relating to the duty of said Eclectic Board; Section 2173, relating to the appointment of medical examiners; Section 2174, relating to the qualification of members of the State Board of Medical Examiners; Section 2175, relating to the terms of office of the members of the said Board; Section 2176, relating to the election of a president and secretary of said Board, and the authority to make rules for the government thereof; Section 2177, relating to the meetings of said Board; Section 2178, relating to examinations by said Board; Section 2179, relating to certificates issued by said Board; Section 2180, relating to temporary certificates to practice medicine; Section 2181, relating to duty of member of said Board granting temporary certificates; Section 2182, relating to record of such certificate; Section 2183, relating to examination fee; Section 2184, exempting and excepting certain persons in the provisions of said law; Section 5534, relating to violations of law regulating the duties of medical examiners; Section 5535, relating to practice of medicine as physician without certificate; be, and the same and each of them are hereby repealed in their entirety.

Sec. 2. BOARD QUALIFICATIONS: That a board is hereby established to be known by the name and style of the State Board of Medical Examiners; said board shall be composed of ten practicing physicians of integrity and ability, who shall be residents of and duly licensed to practice medicine in this state, and who shall have graduated from reputable medical schools and have been engaged in the active practice of their profession within this state for at least a period of five years, but none of them shall be connected in any way with the medical college; said board shall perform such duties and possess and exercise such powers relative to the protection of the public health and the control and regulation of the practice of medicine in the state as shall in this Act be prescribed and conferred upon it.

Sec. 3. BOARD; HOW CONSTITUTED: The Governor shall within thirty (30) days after the passage of this Act appoint ten physicians who shall possess the qualifications specified in Section 1 of this Act to constitute the members of this board. Five members of this board shall be allopath physcians, three shall be eclectic physicians, and two shall be homeopathic physicians.

The successor of each member shall be an appointee in the same manner.

Said members shall be so classified by the Governor that the term of office of two shall expire in one, three in two, two in three and three in four years from the date of appointment. Annually thereafter the Governor shall appoint two members, each of whom shall serve for a term of four years, and these appointments shall be made so as to preserve the original ratio of allopaths, eclectics and homeopaths respectively. The Governor shall have power to remove from office members of the board for neglect of duty required by this Act, for incompetency or for unprofessional conduct. Any vacancy which may occur in said board in consequence of death, resignation, removal from the state or from other cause shall be filled for the unexpired term by the Governor in the same manner. A majority of the board shall constitute a quorum.

Sec. 4. MEMBER; OATH OF OFFICE: Immediately and before entering upon the duties of said office the members of the board shall take the constitutional oath of office and shall file the same in the office of the Secretary of State; and there shall thereupon issue to him a certificate of his appointment.

Sec. 5. ORGANIZATION; MEETINGS: That immediately after the appointment and qualification of said members, said Board shall meet and organize. Said Board shall elect a President, Vice-President, Secretary and Treasurer from its membership. The office of Secretary and Treasurer may be held by one person. All salaries shall be fixed and paid by the Board. All expenses of the Board shall be paid out of funds collected by the Board, and the remainder divided equally among the members of the Board.

Said Board shall hold two regular meetings each year, one in June and one in November at some convenient place in the State and on such date as the Board may select, of which meetings notice shall be given by publication thereof once a week for four successive weeks in a newspaper of general circulation throughout the State. Special or call meetings may be held at the discretion of the President. Said Board shall adopt a seal, which must be affixed to all licenses issued by it. The Board, shall from time to time adopt such rules and regulations as it may deem necessary for the performance of its duties, and shall examine and pass upon the qualifications of applicants for the practice of medicine in this State as herein provided.

Sec. 6. APPLICATION FOR LICENSE; ADMISSION TO EXAMINATION: Any person wishing to obtain the right to practice medicine in this State, who has not heretofore been registered or licensed so to do, shall, before it shall be lawful for him to practice medicine in this State make application to the Board upon such form and in such manner as shall be adopted and prescribed by the Board and obtain a license from the Board so to do. Unless such person shall have obtained a license as aforesaid, it shall be unlawful for him to practice medicine in this State, and if he shall practice medicine in this State without first having obtained a license, he shall be deemed to have violated the provisions of this Act.

The Board shall admit to examination any candidate who pays the fee hereinafter provided for and submit evidence verified by oath, satisfactory to the Board, that such applicant:

(1) Is more than twenty-one years of age and a citizen of the United States or has declared his intention of becoming such citizen.

(2) Is of good moral character.

(3) Is a graduate of a legally incorporated Medical College maintaining a standard satisfactory to the Board.

Sec. 7. RECORDING OF LICENSE; REGISTRATION:

(a) Every license to practice medicine, shall, before the licensee begins practice thereunder be recorded in a book for that purpose in the Office of the Clerk of the Circuit Court of the County in which he resides, or in which such practice is intended to be carried on, with the name, residence, place and date of birth and source, number and date of his license to practice. Before registering each licensee shall file, to be kept in a bound volume in the office of the Clerk of the Circuit Court an Affidavit of the above facts and also that he is the person named in such license and had before receiving the same complied with all the requirements as to Examination required by Law; that no money was paid for such license, except the regular fee paid by all applicants therefor, that no fraud, misrepresentation or mistake in any material regard was employed by anyone or occurred in order that such license should be granted. The Clerk's fee for recording such license and affidavit shall be the same as for recording a deed. The Circuit Clerk of each County shall make report to the Secretary of the Board on the 31st day of December of each year of all Certificates registered by him.

(b) Every person now lawfully engaged in the practice of medicine and every person hereafter duly licensed to practice medicine, shall, on or before January 1st of each year, apply to the Secretary of the State Board of Health for a certificate of registration upon a blank form to be furnished by said Secretary and shall pay at such time a fee of One Dollar.

(c) A Physician in making his first registration hereunder shall write or cause to be written upon the application blank so furnished by the Secretary of State, his full name, post office and residence address, the date and number of his license and such other facts for the identification of the applicant as a licensed practitioner of medicine as may be deemed necessary, and shall duly execute and verify the same before an officer authorized to take acknowledgments of deeds, and shall file the same with the Secretary of the Board. Registration subsequent to the first registration need not be upon sworn application, unless the Board, in particular case, for reasons satisfactory to them, may require that application be under oath.

(d) The Secretary of the State Board of Health on or before October 1st of each year, after the first registration, shall mail or cause to be mailed to each registered physician, a blank form of application for registration addressed to the last known post office address of such physician. The form of such application shall be such as to contain space for the insertion by the Applicant of this information required by the provisions of this Act.

(e) The Secretary of the State Board of Health shall issue to any duly licensed physician in this State upon his application therefor in accordance with the provisions hereof, a certificate of registration under the Seal of the State for the year ensuing and ending December 31st.

(f) Each licensed physician shall conspicuously display his proper Registration Certificate in his office at all times.

Sec. 8. TEMPORARY LICENSE: In the discretion of the secretary-treasurer of said board, with the approval of the president, he may issue temporary license to an applicant, which shall have the same force and effect of a permanent license until the next regular meeting of the board, when said license shall become void. Said license shall not be recorded.

Sec. 9. ACCREDITED COLLEGES: The board of medical examiners are hereby empowered under this act to pass upon the good standing and reputability of any college.

In determining the reputability of any medical college, the right to investigate and make a personal inspection of the same is hereby authorized.

Sec. 10. METHODS AND SUBJECTS OF EXAMINATION: The examination of applicants for license to practice medicine shall be made by said board according to the methods deemed by it to be the most practical and expeditious to test the applicants' qualifications. The board shall require the examination to be in writing. Each applicant shall be designated by a number instead of his name so that his identity shall not be disclosed to the members of the board until after the examination papers are graded. Examination shall be in the following subjects: Anatomy, physiology, chemistry, hygiene, surgery, therapeutics, obstetrics, gynecology, pathology, diagnosis, medical jurisprudence and practice of medicine.

Sec. 11. FEES. There shall be paid to the Secretary-Treasurer of said Board by each application (sic) for license by examination a fee of Twenty-five ($25.00) Dollars which shall accompany the application. The same fee shall be charged for issuing temporary license, which shall include the fee for examination for permanent license. No part of any fee is returnable under any circumstances, nor shall this Act be construed as affecting or changing laws in reference to license tax to be paid by physicians and surgeons.

Sec. 12. POWERS OF BOARDS; PROSECUTIONS: The said board shall have power to administer oaths, to summon witnesses and to take testimony in all matters relating to its duties. Said board shall issue license to practice medicine to all persons who shall furnish satisfactory evidence of attainments and qualifications under the provisions of this Act, and the rules and regulations under the provisions of this Act, and the rules and regulations of the board. Such license shall be signed by the president and attested by the secretary-treasurer of the board under its adopted seal, and it shall give absolute authority to the person to whom it is issued to practice medicine in this state. Every unrevoked license and indorsement of recordation made as provided in this Act shall be presumptive evidence in all courts and places that the person therein named is legally licensed to practice medicine. It shall be the duty of the secretary-treasurer under the direction of the board, personally or by deputy to aid the prosecuting attorneys of the state in the enforcement of this Act and in the prosecution of persons charged with violation of its provision.

Sec. 13. REFUSAL TO GRANT LICENSE: REVOCATIONS: The license or registration of a practitioner of medicine may be revoked, suspended or annulled, or such practitioner reprimanded upon the following grounds:

(a) That the physician is guilty of fraud in the practice of medicine, or fraud or deceit in his admission to the practice of medicine.

(b) That a physician has been convicted in a Court of competent jurisdiction of a felony. The conviction of a felony shall be the conviction of any offense which if committed within the State of Florida would constitute a felony under the laws thereof.

(e) That a physician is engaged in the practice of medicine under a false or assumed name, or the impersonation of another practitioner of a like or different name.

(d) That a physician is addicted to the habitual use of intoxicating liqours, narcotics or stimulants to such an extent as to incapacitate him for the performance of his professional duties.

(e) That a physician is guilty of untrue, fraudulent, misleading or deceptive advertising; or advertising that he can cure or treat diseases by any secret method, procedure, treatment or medicine, or that he can cure a manifestly incurable disease.

(f) The obtaining of a fee on representation that a manifestly incurable disease can be permanently cured.

(g) Causing the publication or circulation of an advertisement of any medicine by means whereby the monthly periods of women can be regulated, or the menses, if suppressed can be established.

(h) Causing the publication or circulation of a fraudulent advertisement relative to any disease of the sexual organs.

(i) The procuring or aiding or abetting in procuring a criminal abortion.

Proceedings for revocation of a license or the annulment of registration shall be begun by filing written charge or charges against the accused. These charges may be preferred by any person or corporation or the Board may, on its own motion, direct the executive officer of said Board to prefer said charges. Said charges shall be filed with the Secretary-Treasurer of said Board; upon the filing of said charges as herein provided, a time and place for the hearing of said charges shall be fixed by said Board as soon as convenient, and a copy of the charges, together with a notice of the time and place when they will be heard and determined shall be served upon the accused at least ten days before the date actually fixed for said hearing. At said hearing the accused shall have the right to cross-examine the witnesses against him, and to produce witnesses in his defense, and to appear personally or by counsel. Said Board may, upon satisfactory proof made that any licentiate has been guilty of any of the charges against him, suspend such licentiate from the practice of medicine, and call in the license of such licentiate upon a two-thirds majority vote of the Board, provided, however, that such suspended physician may have the proceedings of said Board reviewed by certiorari to the Circuit Court of the circuit in which said license is recorded. The accused shall have the right to demand a trial de novo before the Circuit Court, and thereafter the court shall hear and determine the guilt or innocence of the accused according to the evidence and law applicable to the facts which shall be produced before him, and unless the guilt of the accused shall appear beyond a reasonable doubt, the court shall render the decision in favor of the accused and restore him to all rights to practice under this Act. Said writ shall issue upon the petition of the person whose license has been revoked, at any time within ninety (90) days after such revocation. Appeals from any decision of the Circuit Court may be taken to the Supreme Court of Florida in the same manner and subject to like conditions as appeals in chancery are taken. In the event that any such license shall be revoked or registration annulled under the provisions of this Act, the said Board shall forthwith transmit to the clerk of the Circuit Court or courts in which said accused is registered as a physician, a certificate under its seal, certifying that such registration has been annuled, and such clerk shall, upon receipt of such certificate, file the same and forthwith mark such registration "annulled."

Any person who shall practice after his license has been revoked and registration annulled shall be deemed to have practiced medicine without a license. However, at any time after six months from the date of said conviction, said Board may, by a majority vote, issue a new license, or grant a license to the person affected, restoring or conferring all the rights and privileges of and pertaining to the practice of medicine as defined and regulated by this Act; that the fee therefor shall be the same as upon the issuance of the original license.

Sec. 14. DEFINITION OF PRACTICE OF MEDICINE:—A person practicing medicine within the meaning of this Act, except as hereinafter stated, who holds himself out as being able to diagnose, treat, operate or prescribe for any human disease, pain, injury, deformity or physical condition or who shall offer or undertake by any means or method to diagnose, treat, operate or prescribe for any human disease, pain, injury, deformity or physical condition. This Act shall not be construed to affect commissioned officers serving in the United States Army, Navy or Public Health Service while so commissioned, or anyone while actually serving without salary or professional fees on the resident medical staff of any legally incorporated hospital; or any legally registered Dentist exclusively engaged in the practice of Dentistry; or any person or manufacturer who without the use of drugs or medicines mechanically fits or sells lenses, artificial eyes, limbs or other apparatus or appliances, or is engaged in the mechanical examination of eyes for the purpose of constructing or adjusting spectacles, eye glasses or lenses; or any lawfully qualified physician in other states or counties, meeting legally registered physicians in this State in consultation; or any physician duly registered in one county called to attend isolated cases in another county, but not residing or habitually practicing therein; or the furnishing of medical assistance in case of emergency; or the domestic administration of family remedies; or the practice of chiropody; or osteopathy by osteopaths who have been duly licensed by the State Board of Osteopathic Examiners; or Chiropractic by chiropractors, who have been duly licensed by the State Board of Chiropractic Examiners; or Naturopathic Examiners; or nurses or midwives; or the practice of the religious tenets of any church, or to any office assistant of a legally licensed practitioner of medicine, rendering such assistance as is usually rendered by a nurse, and who shall work only under the direct supervision and express orders of his or her employer, in his office, and not otherwise.

Sec. 15: PENALTIES FOR VIOLATIONS:—Any licensed physician who fails or neglects to register by January 1st of any year as required by the provisions of this Act, shall upon conviction be punished by a fine of not more than fifty ($50.00) dollars;

Any person who shall:

(a) Sell, or fraudulently obtain or furnish any Medical Diploma, license record or registrations, or aid or abet in the same, or

(b) Practice medicine under cover of any diploma, license, record or registration illegally or fraudulently obtained or secured, or issued unlawfully on fraudulent representation; or

(c) Advertise to practice medicine under a name other than his own or under an assumed name: or

(d) Falsely impersonate another practitioner of a like or different name, and

Any person who not being then lawfully licensed and authorized to practice medicine in this State, shall

(a) Practice or advertise to practice medicine,

(b) Use in connection with his name any designation tending to imply or designate him as a practitioner of medicine; and

(c) Use the title "Doctor," or any abbreviation thereof in connection with his name, or with any trade name in the conduct of any occupation or profession, involving or pertaining to the Public Health, or the diagnosis or treatment of any human disease, pain, injury, deformity or physical condition unless duly licensed by a board created under the Laws of the State of Florida; and

Any person who during the time his license to practice medicine shall be suspended or revoked, shall practice medicine,

Shall upon conviction be fined not more than One Thousand ($1,000.00) Dollars, or by imprisonment for not more than five (5) years, or by both such fine and imprisonment, in the discretion of the court.

Laws of 1927, Page 44

Section 1. That from and after the passage of this Act every license to practice medicine, osteopathy, chiropractic, naturopathy, midwifery and every other medical and / or material method of the practice of the healing art shall before the licensee begins practice thereunder be recorded in a book for that purpose in the office of the Clerk of the Circuit Court of the County in which he resides, or in which such practice is intended to be carried on with the name, residence, place and date of birth of the licensee and the source, number and date of his license to practice. Before registering, each licensee shall file, to be kept in a bound volume, in the office of the Clerk of the Circuit Court an affidavit of the above facts and also that he is the person named in such license and had before receiving the same complied with all the requirements as to examination required by law; that no money was paid for such license except the regular fee paid by all applicants therefore; that no fraud, misrepresentation or mistake in any material regard was employed by anyone or occurred in order that such license should be granted. The Clerk's fee for recording such license and affidavit shall be the same as for recording a Deed. The Circuit Clerk of each County shall make and report to the Secretary of the State Board of Health on the 31st day of December of each year of all certificates registered by him.

Sec. 2. That every person now lawfully engaged in the practice of medicine, osteopathy, chiropractic, naturopathy, midwifery and other medical and/ or material systems of healing and every other person hereafter duly licensed to practice the same shall, on or before the 1st day of January of each year, apply to the Secretary of the State Board of Health for a Certificate of Registration upon a blank form to be furnished by such Secretary and shall pay at such time a fee of One ($1.00) Dollar.

Sec. 3. That every person in making his first registration hereunder, shall write or cause to be written upon the application blank so furnished by the Secretary of the State Board of Health, his full name, post office and residence address, the date and number of his license and such other facts for the identification of the applicant as a licensed practitioner as may be deemed necessary and shall duly execute and verify the same before an officer authorized to take acknowledgments of deeds, and shall file the same with the Secretary of the State Board of Health. Registration subsequent to the first registration need not be upon the sworn application unless the Board of Health in particular case, for reasons satisfactory to them, may require that the application be under oath.

Section 4. That the Secretary of the State Board of Health, on or before October 1st of each year after the first registration shall mail or cause to be mailed to each person so registered a blank form of application for registration, addressed to the last known post office address of such registrant. The form of such application shall be such as to contain space for the insertion by the applicant of the information required by the provisions of this Act.

Section 5. The Secretary of the State Board of Health shall issue to any duly licensed physician, osteopath, chiropractor, naturopath, midwife and others duly licensed by any State Board to practice the medical and/ or material healing art upon his application therefor, in accordance with the provisions hereof, a Certificate of Registration under the seal of the Board for the year ensuing and ending December 31st.

Sec. 6. Every holder of Registration Certificate granted hereunder, shall conspicuously display the same in his office at all times.

Sec. 7. Any person who fails or neglects to register as required by the provisions of this Act, or who shall violate the provisions of this Act, shall upon conviction thereof, be punished by a fine of not more than Fifty ($50.00) Dollars.

Sec. 8. This Act shall take effect immediately upon its passage and approval by the Governor, or upon its becoming a law without such approval.

Approved May 28, 1927.

In this modern laboratory, trained food chemists supervise and check daily every process in the manufacture of Orange-Crush

PHYSICIANS APPROVE THIS LABORATORY-TESTED BEVERAGE

℞ —when a carbonated beverage is indicated in the diet of convalescents, serve healthful Orange-Crush—the drink endorsed by the Illinois State Medical Society as "—a pure and wholesome fruit-flavored carbonated beverage."

Orange-Crush is a carbonated beverage containing all the goodness, all the flavor and the juice of selected California oranges. It is literally the entire ripe fruit scientifically transformed into a wholesome, *whole-fruit* beverage.

Here's How: First we squeeze out all the golden juice. Separate all the healthful goodness from the pulp. Extract the fruity flavor from the peel. Then, we blend the juice with oils of pulp and peel. Add a taste of sugar, pure food color, sparkling water—and a little citrus fruit acid for tang. And there you are!

A healthful carbonated beverage, refreshing and delicious for your patients. Buy by the case from your local Orange-Crush bottler.

MEDICAL PRACTICE ACT OF GEORGIA

Park's Annotated Code of Georgia, Supplement of 1922, Volume 8, Chapter 9.

Section 1697 (a). BOARD OF MEDICAL EXAMINERS: A board is hereby established to be known by the name and style of the State Board of Medical Examiners, said board shall be composed of ten practicing physicians of integrity and ability, who shall be residents of and have been duly licensed to practice medicine in this State, and who shall have graduated from reputable medical schools and have been engaged in the active practice of their profession within this State for at least a period of five years, but none of them shall be connected in any way with any medical college. Said board shall perform such duties and possess and exercise such powers relative to the protection of the public health, and the control and regulation of the practice of medicine in the State as shall be in this Article prescribed and conferred upon it.

Sec. 1697 (b). APPOINTMENT OF BOARD MEMBERS: The Governor shall within thirty days after the passage of this law appoint ten physicians, who shall possess the qualifications specified in Section 1697 (a) to constitute the members of this board. five members of this board shall be regular physicians, three shall be eclectic physicians and two shall be homeopathic physicians, all to be appointed by the Governor. The successor of each member shall be an appointee in the same manner; said members shall be so classified by the Governor that the term of office of two shall expire in one, three in two, two in three and three in four years from the date of appointment. And subsequently each sucessor shall be appointed by the Governor and serve for a term of four years from the time of the expiration of the term of his predecessor; and these appointments shall be made so as to preserve the original ratio of regulars, eclectics and homeopaths, respectively. The Governor shall have power to remove from office any member of the board for neglect of duty required by this Article, for incompetency or for unprofessional conduct. Any vacancy that may occur in said board in consequence of death, resignation, removal from the State or from other cause, shall be filled for the unexpired term by the Governor in the same manner. A majority of the board shall constitute a quorum.

Sec. 1697 (c). OATH OF OFFICE: Immediately and before entering upon the duties of said office, the members of said board shall take the constitutional oath of office, and shall file the same in the office of the Governor of the State, who, upon receiving said oath of office, shall issue to each member a certificate of appointment.

Sec. 1697 (d). ORGANIZATION, MEETINGS, RULES, ETC.: Immediately after the appointment and qualification of said members said board shall meet and organize. Said board shall elect a president, a vice-president and a secretary-treasurer from its membership, whose salaries shall be fixed and paid by the board. All expenses of the board shall be paid out of funds collected by the board, the remainder to be divided equally among the members of the board. Said board shall hold two regular meetings in each year. One meeting shall be held in May or June, at such time as suits the convenience of graduates of medical colleges in Atlanta and Augusta; the other meeting shall be held on the second Tuesday in October in the State Capitol. Call meetings may be held at the discretion of the president. The regular meetings shall be held at the capitol building in Atlanta, and in Augusta. Said board shall adopt a seal, which must be affixed to all licenses issued by it. The board shall, from time to time, adopt such rules and regulations as it may deem necessary for the performance of its duties, and shall examine and pass upon the qualifications of applicants for the practice of medicine in this State, as herein prescribed.

Sec. 1697 (e). LICENSE REQUIRED: Any person wishing to obtain the right to practice medicine in this State, who has not heretofore been registered or licensed so to do, shall, before it shall be lawful for him to practice medicine in this State, make application to the board through the secretary-treasurer thereof, upon such form and in such manner as shall be adopted and prescribed by the board and obtain from the board a license so to do. Unless such person shall have obtained a license as aforesaid, it shall be unlawful for him to practice in this State, and if he shall practice medicine in this State without first having obtained such a license, he shall be deemed to have violated the provisions of this Article. All applicants for a license to practice medicine, or for a renewal of any such license which has been revoked shall furnish the board with evidence of good moral character. Applications from candidates to practice medicine or surgery in any of the branches shall be accompanied with proof that the applicant is a graduate of a legally incorporated medical college or institution in good standing with the board; the board shall have the power to revoke the certificate granted to any applicant who makes any misstatement of any material fact in his application for examination.

Sec. 1697 (f) RECORD OF CERTIFICATE: Before any person who obtains a certificate from said board may lawfully practice medicine and surgery in this State, he shall cause the said certificate to be recorded in the office of the clerk of the Superior Court of the county in which he resides. The certificate shall be recorded by the clerk in a book kept for that purpose. It shall be indexed in the name of the person to whom the certificate is granted. The clerk's fee for recording the certificates shall be the same as for recording a deed. The clerk shall make a report to the secretary of the board on the 31st of December of each year of all certificates registered with him. Each applicant receiving a certificate from the board shall cause the same to be registered within thirty days.

Sec. 1697 (g). MEDICAL COLLEGES IN GOOD STANDING DEFINED: Said board shall be empowered to pass upon the good standing and reputability of any medical college. Only such medical colleges will be considered in good standing as possess a full and complete faculty for the teaching of medicine, surgery and obstetrics in all their branches, afford their students adequate clinical and hospital facilities, require attendance upon at least 80 per cent of each course of instruction, give four graded courses of instruction, the aggregate of which amounts to at least 120 weeks, exclusive of holidays, of at least forty hours each week; that require at least forty-two months to have elapsed between the beginning of the student's first course of medical lectures and the date of his graduation, each session composed of twenty-nine weeks of actual instruction, with at least forty per cent of laboratory instruction in the first and second years and a minimum of thirty-five per cent. of clinical work in the third and fourth years; that requires an average grade in each course of instruction of at least seventy-five per cent. in examination as a condition of graduation; that fulfill all their published promises, requirements and other claims respecting advantages to their students and the course of instruction; that enact a preliminary educational requirement equal to that specified by this Article; that require students to furnish testimonials of good moral standing; and that give advanced standing only on cards from accredited medical colleges. Students must have attended at least eighty per cent. of the course in the last year of the college from which diploma is presented. In determining the reputability of the medical college, the right to investigate and make a personal inspection of the same is hereby authorized.

Sec. 1697 (h). EDUCATIONAL REQUIREMENTS: Beginning with the session of 1919-1920, each medical school or college in good standing with the board shall have a minimum preliminary educational requirement of the completion of a two-year pre-medical college course based upon the completion of a four-year course of at least 15 units in a standard accredited high school, or have the equivalent as demonstrated by examination. The pre-medical college course shall consist of at least 60 semester hours of standard college work in an approved college, of which, at least 28 semester hours are in chemistry, physics and biological sciences; of this 28 hours there must be at least 12 hours of chemistry, 8 of physics, and 8 of biology, including at least ten hours of laboratory work. Evidence of such preliminary education which will entitle the applicant to admission to a Georgia medical school shall be a certificate furnished by the professor of secondary education in the State University on the basis of the rating of the high schools and colleges of this State. or other States by the accrediting authorities of said States, or by examinations conducted by him or by some person designated by him. A fee of $2.00 shall accompany each application for a certificate and a like amount shall be paid by the applicant for each separate subject on which he is examined. Said official shall also pass upon the pre-medical education of all applicants for examination to practice medicine in this State and certify equal standards for these as for Georgia students to the board before the applicant is eligible for examination. He shall make an annual report to the board of the work of his office.

Sec. 1697 (i). TEMPORARY LICENSE: In the discretion of the secretary-treasurer of said board, with the approval of the president, he may issue temporary license to an applicant which shall have the same force and effect of a permanent license until the next regular meeting of the board, when said license shall become void. Said license shall not be recorded.

Sec. 1697 (j). EXAMINATION OF APPLICANTS: Examination of applicants for license to practice medicine shall be made by said board according to the methods deemed by it to be the most practical and expeditious to test the applicant's qualifications. The board shall require the examination to be wholly or in part in writing, each applicant shall be designated by a number instead of his name, so that his identity shall not be disclosed to the members of the board until after the examination papers are graded. Examination shall be on the following subjects: Anatomy, physiology, chemistry, hygiene, surgery, obstetrics, gynecology, pathology, and diagnosis, practice of medicine, materia medica and therapeutics.

Sec. 1697 (k). FEES: There shall be paid to the secretary-treasurer of said board by each applicant for a license by examination, a fee of twenty dollars ($20), which shall accompany the application. The same fee shall be charged for issuing a temporary license, which includes fee for examination for permanent license; and a fee of fifty dollars ($50) shall be charged for issuing a license by reciprocity. The board of examiners may grant a license without examination to licentiates of boards from other states requiring equal or higher qualifications upon the same basis as such States reciprocate with the State of Georgia. Said board may grant a license without examination to any licentiates of the National Board of Medical Examiners of the United States upon the reciprocity fee by such licentiate. No part of any fee is returnable under any circumstances; nor shall this Article be construed as affecting or changing in any way laws in reference to license tax to be paid by physicians and surgeons.

Sec. 1697 (1). TESTIMONY; ISSUE OF LICENSE: Said board shall have authority to administer oaths, to summon witnesses and take testimony in all matters relating to its duties. Said board shall issue license to practice medicine to all persons who shall furnish satisfactory evidence of attainments and qualifications under the provisions of this Article and the rules and regulations under the provisions of this Article, and the rules and regulations of the board. Such license shall be signed by the president and attested by the secretary-treasurer of the board under its adopted seal, and it shall give absolute authority to the person to whom it is issued to practice medicine in this State. It shall be the duty of the secretary-treasurer under the direction of the board, personally or by deputy, to aid the solicitors of the State in the enforcement of this Article and in the prosecution of all persons charged with violation of its provisions.

Sec. 1697 (m). REFUSAL and REVOCATION OF LICENSE: Said board may refuse to grant a license to practice medicine in this State, or may cause a licentiate's name to be removed from the records in the office of any clerk of court in this State, on the following grounds, to-wit: The employment of fraud or deception in applying for license or in passing the examination provided for in this Article; conviction of crime involving moral turpitude; conviction for the violation of any penal provision of the "Opium Act of 1914," or "Harrison Act," also called the "Harrison Narcotic Law"; the practice of medicine under a false or assumed name or in the impersonation of another practitioner of a like or different name; habitual intemperance in the use of ardent spirits, narcotics, or stimulants to such an extent as to incapacitate him for the performance of professional duties; the procuring or aiding or abetting in procuring a criminal abortion; the obtaining of a fee on representation that a manifestly incurable disease can be permanently cured; causing the publication and circulation of an advertisement of any medicine by means whereby the monthly periods of women can be regulated, or the menses, if suppressed, can be re-established; causing the publication and circulation of an advertisement relative to any disease of the sexual organs; said board may upon satisfactory proof made that any applicant or licentiate has been guilty of any of the offenses above enumerated refuse to grant a license to said applicant or may revoke the license of said licentiate upon a majority vote of said board. There may be an appeal from the judgment of said board by the party who is refused a license by the board, or whose license is revoked, as the case may be, if dissatisfied with the judgment, to a jury in the Superior Court of the county of the residence of such dissatisfied party, said appeal to be had as in other cases now provided by law. The party whose license is revoked or refused shall be liable for cost as follows: Preparing copies of notice, $2.00; procuring service of said notice, $2.00; each subpoena for witness or for the production of any book, writing or document, 15c; transmitting appeal, $2.00; procuring cancellation of revoked license, 25c. Said board is empowered to enter up judgment for such cost as may accrue under the provisions of this Article against the party liable therefor, as herein provided, and issue execution thereon, which shall bear test in the name of the president of said board and be signed by its secretary-treasurer. In all cases wherein a license has been revoked and no appeal has been entered within the time allowed by law, it shall be the duty of the secretary-treasurer of said board, immediately after the expiration of the time allowed for appeal to transmit to the clerk of the Superior Court, in whose office the revoked license is recorded, a copy of the order of said board revoking said license, certified by said secretary-treasurer with a fee of 25c, and it shall be the duty of said clerk to cancel the record of said license by entering upon the face thereof a copy of said certified order.

CANCELLATION OF LICENSE: In a case wherein appeal proceedings are had and not sustained, the revoked license shall be cancelled in the manner above provided, immediately after the final termination of such case.

APPEAL: The appeal herein provided for shall be had upon the payment of cost or the making of the affidavit in lieu thereof, as provided by law in other cases.

NOTICE AND HEARING: Upon the preferment before said board of either of said charges above enumerated against any licentiate or applicant for license it shall be the duty of said board to cause written notices of the time and place of hearing upon said charge, together with a copy of the charge preferred, to be served upon such licentiate or applicant twenty days before hearing.

SERVICE: Said board shall prepare two copies of said written notice and attach to each of said notices a copy of the charge preferred, and cause the same to be delivered to the sheriff or his deputy of the county of the residence of the licentiate or applicant against whom charge has been preferred together with two dollars as a fee for service, who shall within ten days deliver to such licentiate or applicant personally or leave at the most notorious place of abode of such party, one of said notices, with copy of charge attached, and then return the other notice with copy charge attached thereto to said board, together with said officer's entry of service thereon.

DEFENSE: Said licentiate or applicant shall have the privilege to make defense at said hearing, either in person or by attorney, and on application to said board he shall be furnished, by said board, with a subpoena for any witness in his behalf, or for the production of any book, writing, paper or document to be used in his behalf on said hearing.

EVIDENCE: Said board shall have the power to compel the attendance of any witness or the production of any book, writing or other document in the possession, custody or control of any witness or other person, at such hearing of said board, and any witness or person refusing to produce any book, writing or other document, or to appear or testify, without legal excuse, at such hearing of said board, after having been served with a subpoena issued by said board requiring such witness to appear, produce any book, writing or other document, or testify at such hearing shall be guilty of contempt, and upon certification of such act by said board to the judge of the Superior Court in whose jurisdiction said hearing is held or to be held, the judge shall punish the same as though committed before him.

FAILURE TO APPEAR: No license of any applicant shall be refused nor license of any licentiate revoked on account of the default or failure of the applicant or licentiate to appear, but in case of default said board may proceed with the hearing and upon satisfactory proof made of the truth of the charge preferred, refuse a license to the defaulting applicant or revoke the license of such defaulting licentiate regardless of the absence at said hearing of such applicant or licentiate.

However, at any time after six months from the final termination of the proceeding, refusing or revoking a license, said board may, by a majority vote, issue a new license or grant a license to the person affected, restoring and conferring all the rights and privileges of and pertaining to the practice of medicine as defined and regulated by this Article. Any person to whom such rights and privileges have been so restored shall pay to the secretary-treasurer a fee of twenty dollars on the issuance of a new license.

Sec. 1697 (n). WORDS DEFINED: The terms "practice of medicine," "to practice medicine," "practicing medicine," and "practice medicine," as used in this Article, are hereby defined to mean holding one's self out to the public as being engaged within this State in the diagnosis or treatment of disease, defects or injuries of human beings, or the suggestion, recommendation or prescribing of any form of treatment for the intended palliation, relief or cure of any physical, mental or functional ailment or defect of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever, or the maintenance of an office for the reception, examination and treatment of any person suffering from disease, defect or injury of body or mind or attaching the title M.D., Oph., D., Dop., Surgeon, Doctor, either alone or in connection with other words, or any other words or abbreviations to his name, are indicative that such person is engaged in the treatment or diagnosis of disease, defects or injuries of human beings. If any person shall hold himself out to the public as being engaged within this State in the diagnosis or treatment of disease or injuries of human beings, or shall suggest, recommend or prescribe any form of treatment for the palliation, relief or cure of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever, or shall maintain an office for the reception, examination or treatment of diseased or injured human beings, or shall attach the title M.D., Oph., D., Dop., Surgeon, Doctor, either alone or in connection with other words, or any word or abbreviation to his name indicative that he is engaged within this State in the treatment of diseased, defective or injured human beings, and shall not in any of these cases then possess in full force and virtue a valid license to practice medicine under the laws of this State, he shall be deemed to be practicing medicine without complying with the provision of this Article, and in violation thereof. Nothing in this Article shall be construed to prohibit gratuitous service in the cases of emergency, nor the practice of the religious tenets or general beliefs of any church whatsoever; nor to osteopaths not prescribing medicines or administering drugs, nor to permanently located opticians at their established places of business not prescribing or using drugs or medicines, nor requiring a fee for examination or attaching to their names titles indicative that any such person is engaged in the practice of medicine as defined in this Article, nor shall it apply to commissioned surgeons of the United States army, navy or public health service while so engaged, nor to regularly licensed physicians called in consultation from other states or territories to attend to special cases in this State, nor the practice of dentistry, nor to midwives or nurses.

Park's Annotated Code of Georgia, Supplement of 1922, Volume II, Article 18.

Sec. 462 (a). Any person guilty of practicing medicine in this State without complying with the provisions of Sections 1697 (a) to 1697 (n) of the Civil Code, or any person who shall violate the provisions of said sections, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished as for a misdemeanor according to Section 1065* of this code. Any person presenting or attempting to file as his own the diploma or certificate or credentials of another, or who shall give false or forged evidence of any kind to the board or any member thereof in connection with an application for a license to practice medicine, or shall practice medicine under a false or assumed name, or shall falsely impersonate another practitioner of a like or different name, shall be deemed guilty of a felony, and upon conviction thereof shall be punished by a fine of not less than $500.00 or more than $1,000.00, or by a term of from two to five years in the penitentiary of this State, subject to the provisions of Section 1062 * of this code.

---

* Note: Section 1062 provides that in certain cases on recommendation of the jury and with the approval of the judge, felonies may be reduced to the status of misdemeanors and punished accordingly.

Section 1065 provides that except where otherwise specified, misdemeanors are punishable "by a fine of not exceeding $1,000, imprisonment not to exceed six months, to work in the chaingang on the public roads, or on such other public works as the county or state authorities may employ the chaingang, not to exceed twelve months, any one or more of these punishments in the discretion of the judge. . . ."

PHYSICIANS OF GEORGIA

EXPLANATORY NOTE.—The present Medical Practice Act of Georgia went into force Aug. 18, 1913, repealing the law of Jan. 1, 1895. Previous to 1895 a system of county registration prevailed. The records of the former Boards of Medical Examiners show only the names of physicians licensed since that date. As it is not possible to verify statements regarding the legal qualifications of physicians who began practice in Georgia prior to Jan. 1, 1895. The names of all practicing physicians have been entered. Only those followed by date of license since Jan. 1, 1895, however, have been reported to the licensing boards. Dates of licenses issued prior to 1895 entered in the following pages have been verified by clerks of the various county courts.

FOR KEY TO SPECIALTIES, ABBREVIATIONS, SYMBOLS, ETC., SEE PAGES 6 AND 7; SPECIAL SOCIETIES, SEE PAGE 81

KEY TO SPECIALTIES

A SYMBOL DESIGNATING SPECIALTY IS ENTERED ON REQUEST WHENEVER THE PHYSICIAN IS (1) A MEMBER OF A CONSTITUENT STATE ASSOCIATION, (2) A MEMBER OF A SPECIAL SOCIETY OF WHICH THE MEMBERSHIP IS LISTED IN THE DIRECTORY, OR (3) A PROFESSOR IN A MEDICAL SCHOOL CLASSED "A" OR "B" IN THE RATING OF THE COUNCIL ON MEDICAL EDUCATION AND HOSPITALS. SPECIALTIES ARE INDICATED AS FOLLOWS:

S—Surgery.
Ob—Obstetrics.
G—Gynecology.
ObG—Obstetrics and Gynecology.
Or—Orthopedic Surgery.
Pr—Proctology.
Oph—Ophthalmology.
LR—Laryngology, Rhinology.
ALR—Otology, Laryngology, Rhinology.
OALR—Ophthalmology, Otology, Laryngology, Rhinology.
U—Urology.
D—Dermatology.
Pd—Pediatrics.
N—Neurology.
P—Psychiatry.
NP—Neurology and Psychiatry.
I★—Internal Medicine.
T—Tuberculosis.
Anes—Anesthesia.
CP—Clinical Pathology.
R—Roentgenology.
Path—Pathology.
Bact—Bacteriology.
PH★—Public Health.
IndS—Industrial Surgery.

WHEN THE ABBREVIATION DESIGNATING A SPECIALTY IS FOLLOWED BY AN ASTERISK (★) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ONLY ON PERSONAL DATA FURNISHED BY THE PHYSICIAN.

Sec. 333. REGISTRATION OF OCCUPATIONS: The Department of Law Enforcement shall, wherever the several laws regulating professions, trades and occupations which are devolved upon the department for administration so require, exercise, in its name, but subject to the provisions of this chapter, the following powers:

1. To conduct examinations to ascertain the qualifications and fitness of applicants to exercise the profession, trade or occupation for which an examination is held; to pass upon the qualifications of applicants for reciprocal licenses, certificates, and authorities.
2. To prescribe rules and regulations for a fair and wholly impartial method of examination of candidates to exercise the respective professions, trades or occupations.
3. To prescribe rules and regulations defining, for the respective professions, trades and occupations, what shall constitute a school, college or university, or department of a university, or other institution, reputable and in good standing and to determine the reputability and good standing of a school, college, or university, or department of a university, or other institution, by reference to a compliance with such rules and regulations.
4. To establish a standard of preliminary education deemed requisite to admission to a school, college or university and to require satisfactory proof of the enforcement of such standard by schools, colleges and universities.
5. To conduct hearings on proceedings to revoke or refuse renewal of licenses, certificates or authorities of persons exercising the respective professions, trades or occupations, and to revoke or refuse to renew such licenses, certificates or authorities.
6. To formulate rules and regulations when required in any act to be administered.

Sec. 334. REGISTRATION OF OCCUPATION; EXAMINERS: None of the above enumerated functions and duties shall be exercised by the Department of Law Enforcement, except upon the action and report in writing of persons designated from time to time by the Commissioner of Law Enforcement to take such action and to make such report, for the respective professions, trades and occupations as follows:

For the medical practitioners six persons, all of whom shall be graduates of reputable medical colleges or universities and reputable physicians licensed to practice medicine and surgery in this State, a majority of whom shall not be representatives of any one school of medicine and among whom three schools of medicine shall be represented:

. . . .

The action or report in writing of a majority of the persons designated for any given trade, occupation, or profession, shall be sufficient authority upon which the Commissioner of Law Enforcement may act.

In making the designation of persons to act for the several professions, trades, and occupations, the commissioner shall give due consideration to recommendations by members of the respective professions, trades and occupations and by organizations therein.

Sec. 335. REGISTRATION OF OCCUPATIONS; REEXAMINATIONS: Whenever the commissioner is satisfied that substantial justice has not been done either in an examination or in the revocation of or refusal to renew a license, certificate or authority he may order reexamination or rehearings by the same or other examiners.

Sec. 336. REGISTRATION OF OCCUPATIONS; LICENSES: All certificates, licenses, and authorities shall be issued by the Department of Law Enforcement in the name of such department, with the seal thereof attached.

Sec. 337. RENEWAL OF LICENSES: All persons required to procure licenses from the Department of Law Enforcement as a prerequisite for engaging in a trade, occupation or profession must annually renew the same on July 1st, of each year. In case of failure so to renew a license, the department shall cancel the same.

Sec. 338. RENEWAL OF LICENSES; FEE: The licentiate shall pay to the Department of Law Enforcement annually a renewal fee of $2.00.

Sec. 339. OCCUPATIONS REGISTRATION FUND: All fees and renewal fees received by the Department of Law Enforcement for licenses to engage in trades, occupations or professions, shall be deposited in a special fund in the treasury known as the occupations registration fund. All moneys accruing to said fund are hereby appropriated for the use of the Department of Law Enforcement in conducting a bureau or office of registration.

Sec. 340. OFFICERS HAVE POWERS OF PEACE OFFICERS: The Commissioner of Law Enforcement and persons deputized by him as state policemen, are peace officers, authorized to exercise within any county the same powers as the sheriff thereof.

. . . .

Sec. 2103. TO PRESCRIBE REGULATIONS; LICENSING OF PHYSICIANS LICENSED ELSEWHERE: The Department of Law Enforcement shall have the authority to prescribe and establish all needful rules, regulations and by-laws not inconsistent with the laws of this State or the United States to carry into effect the provisions of this chapter, and said department may, either with or without examination, grant a license to any physician licensed to practice by a similar board of any other state and who holds a certificate of registration showing that an examination has been made by the proper board of any state in which an average grade of not less than 80 per cent. was awarded to the holder thereof, the said applicant and holder of such certificate having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in any such state which said diploma may be accepted in lieu of an examination as evidence of qualification. In case the scope of said examination was less than prescribed by this State the applicant may be required to submit to an examination in such subjects as have not been covered.

Sec. 2104. ANNUAL REPORT: The Department of Law Enforcement acting as a board of medical examiners shall make an annual report to the governor of the State, which report shall set forth a full and complete history of all its official acts during the year, and shall also contain a true statement of all receipts and disbursements of said department for the period so reported.

Sec. 2105. EXAMINATION OF APPLICANTS: Every person, except as hereinafter provided, desiring to commence the practice of medicine and surgery, or either of them, within the State shall, immediately and prior to commencing the same, make a written application to the Department of Law Enforcement, upon suitably prepared blanks to be furnished by the department, for a license so to do. The applicant shall transmit with said application his or her diploma, together with an affidavit setting forth that said diploma is genuine and that the applicant is the rightful possessor thereof and the identical person named therein, and that the same was obtained by pursuing the regular course of study or examination in said institution and setting forth that he or she is a citizen of the United States, or has declared his [or her] intention of becoming such. If the said diploma has been issued by a reputable college of medicine in good standing, said applicant shall be eligible to examination.

All applicants shall be examined in the applied branches of the theory and practice of medicine and surgery or either of them, as those branches are taught in the reputable chartered schools of the system of medicine to which the applicant belongs and which the applicant intends to practice, and such examination shall in all cases include anatomy, physiology, pathology, diagnosis, hygiene, chemistry, histology and toxicology.

No applicant for a license shall be allowed to practice medicine and surgery or either of them until such license shall have been granted. The department shall cause the examination to be scientific and practical, and sufficiently thorough to test the applicant's fitness to practice medicine and surgery or either of them, and if the applicant correctly answers at least 75 per cent. of all the questions submitted, said department shall grant the applicant a license to practice medicine and surgery in this State. Every applicant for license under any of the provisions of this chapter, must furnish sufficient evidence to the department that he is of good moral character. All applications under this section must be accompanied by $25, which is the fee for examination under this section. Should the applicant fail to pass said examination, the fee is not returnable. The cost of transmission to and from the department of all papers belonging to an applicant under this or any other section of this chapter shall be paid by the applicant. In case an applicant for an examination fails to pass the required examination, he or she may be re-examined after the expiration of six months, and within one year, without the payment of an additional fee, and thereafter said applicant may be examined as often as desired at any regular or special meeting of the department acting as such board of examiners on the payment of the regular fee for such examination. Said department may also refuse a license, for unprofessional conduct, or conduct of a criminal, immoral or dishonorable nature.
